Mr W R. Freeman

Dear Cousin

You will begin to think  
that I am lost, strayed  
or stolen. But such is not  
the case, I am still right  
here on North Street. and  
we spent a pleasant  
winter, as the house was  
warm and comfortable.

I don't seem to get around  
to writing as many letters,  
and I think its because  
I havent Herb's store books  
to keep track of.

We have had a nice summer  
so far. just a few hot days -  
The crops and gardens are  
coming on good in this part  
of the province. We were to  
Grand Bend yesterday and saw  
one field of wheat cut in the 30 mile  
trip.

Well how is the Family Tree coming. The most that I can write you now about are passing out. I have a few clipping to send you.

First Lulu Clappers daughter was married in Los Angeles Ca. on April 8<sup>th</sup> 1944 to Ballard Patrick Bridgman who's home was in Illinois U.S.

The are now living in Detroit.

The daughter of Wm & Edith Dodge Edith Dodge's husband Archibald

McMillan died & I am sending the clipping. Edith died 6 yrs ago Arch McMillan died May 25 1946.

✓ Harry Lucas of Wyoming age 96<sup>96</sup>

Harry was married 3 or 4 times.

One wife was Louisa Rogers

✓ daughter of Jacob Rogers...

{ Nancy Williams relict of the late David Williams died Dec 13<sup>1905</sup> in her 68 year  
Taken from 40<sup>th</sup> column S.F. Press.

If you can't make these letters  
out you should come up and  
see us all or the few of us  
that are still here as time  
flies the numbers are getting  
small. I think you would  
enjoy a trip up here especially  
if you have a car to go & come  
through the country.

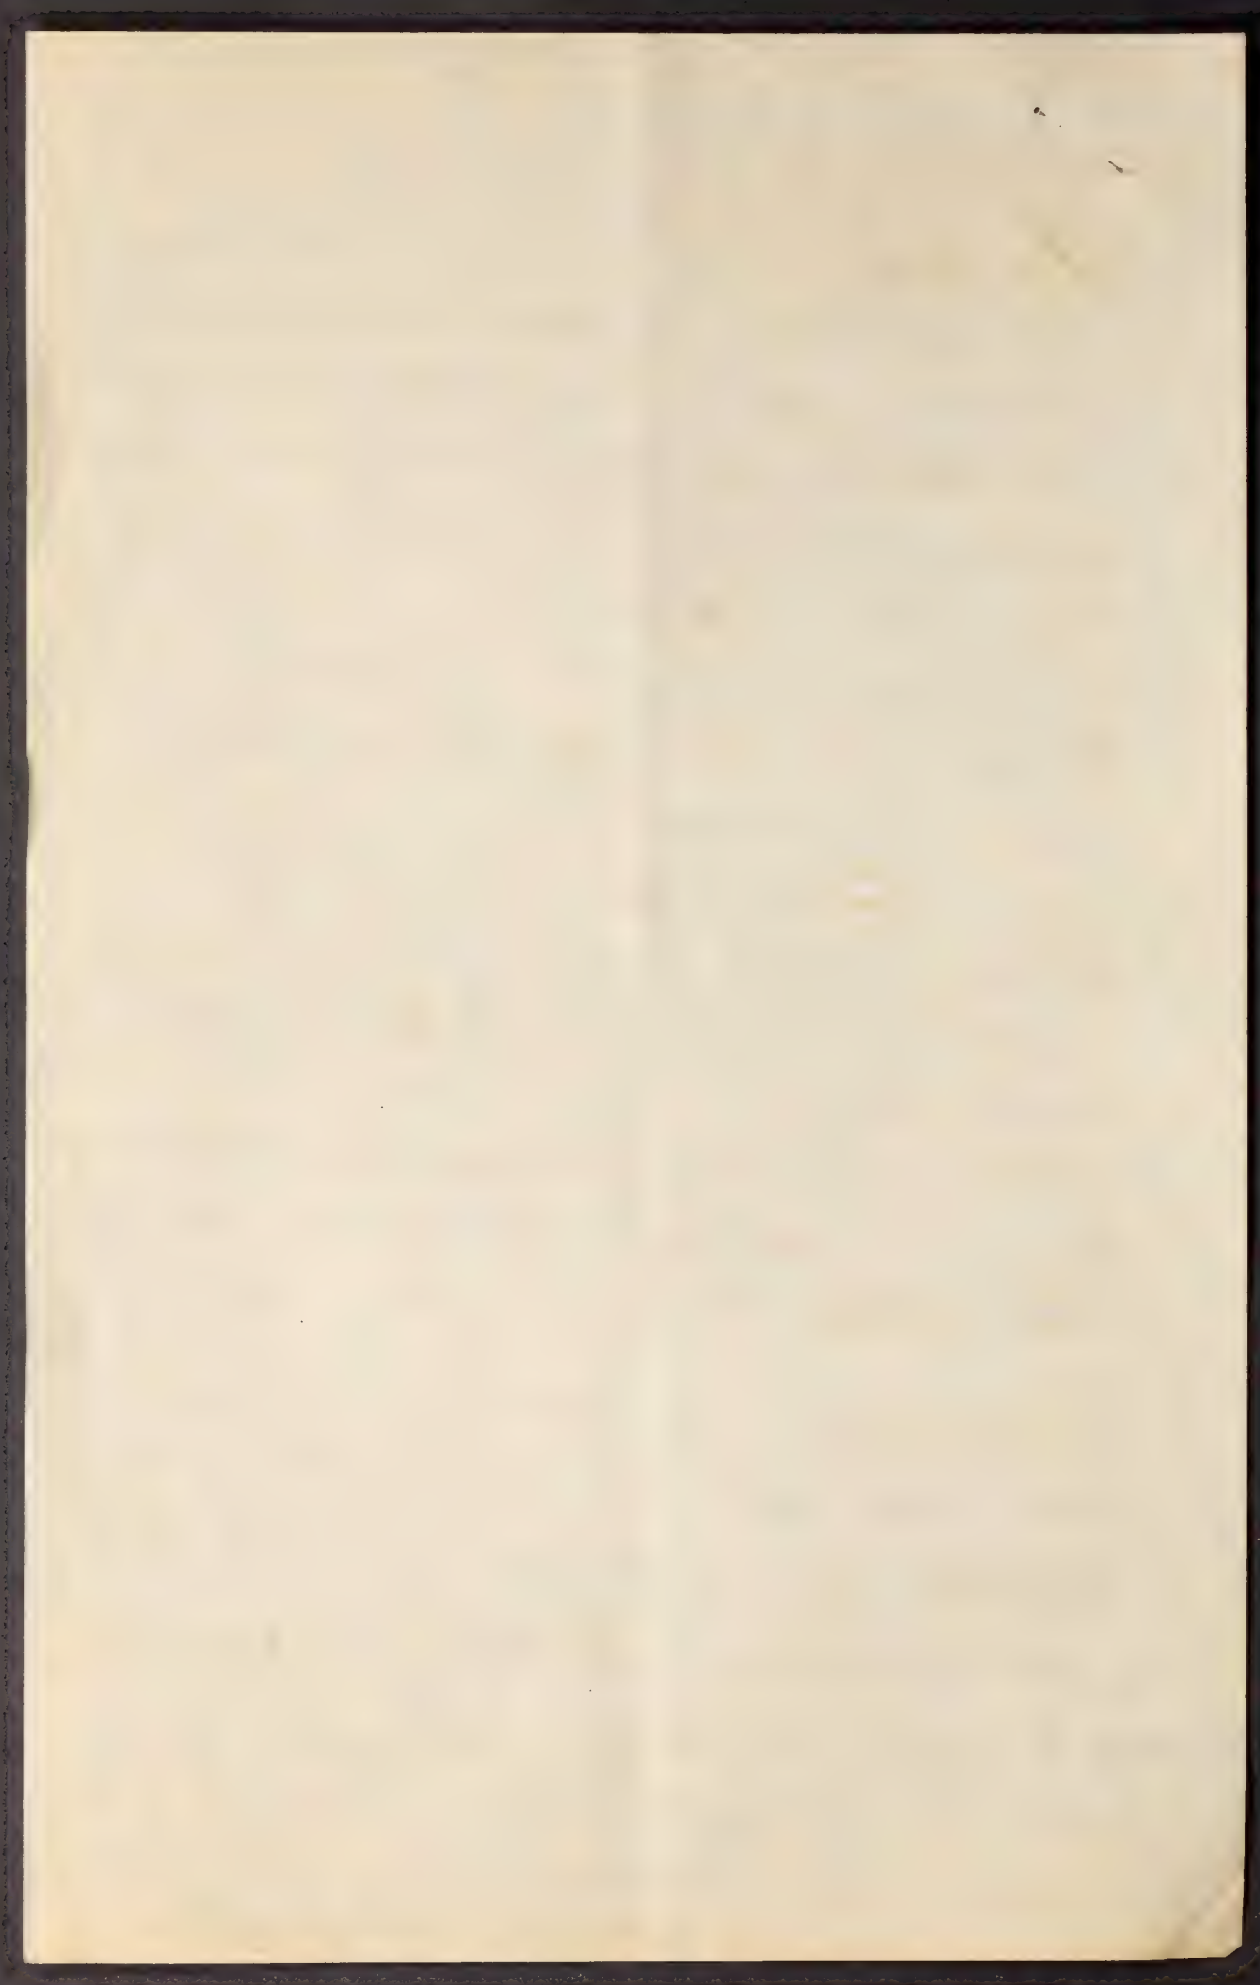

Clara Beaumont - song Alice & Wm  
Beaumont. Died Dec 30<sup>th</sup> 1945

Alice B. was the daughter of Sarah & Henry  
Avery.

Alice lives in Laginaw Michigan.

Son George is working in Windsor  
 He was home for the Week End and  
 looks well - He & he drove to  
 London and had supper with  
 oldest son Arthur & wife &  
 then Geo took the train to  
 Windsor last night.  
 He said the cyclone they  
 had in Windsor a short time  
 ago struck the south end  
 (Sandwich) and they didn't  
 know anything about it  
 until it was all over.  
 Of course the rain was heavy  
 & wind strong but didn't  
 hit the main part of city  
 Rosanna is pretty well  
 & is around as usual. She  
 never even had a cold all  
 last winter. She sure is wonderful  
 and will be 90 on Thursday  
 July 18. Will close hoping to hear  
 from you I remain as ever  
 Emma L. Morningstar.

Strathroy Jan 4<sup>th</sup> 1948

Dear Friend

Received your letter  
before I was but was too busy  
to get down to answering it but  
will attempt to write a few lines  
today. It is quite mild today  
& dull but yesterday the snow came  
most all day. We have a boat  
to anchor again this morning  
with the Turkey & so forth, pretty  
well as I was. I am as the  
family were all home including  
of several children.

Howard Jr lives in Chicago.  
Margaret was visiting at the Uncle  
Shephards in Montreal & then  
intended selling her Darnall home  
& go west to one of the Antislavery  
Universities.

I am afraid I can't find out  
Ellen Allen's birth date - and  
I know that was born soon  
after their marriage and I don't  
know but I would think  
she would be 20 or 21 by  
I remember correctly. She  
married

2.  
Well I had a letter from Lulu  
Clapper of Cleveland and she  
gave me what information  
she could on the Bentley tree  
in an enclosure in separate  
sheet she said when she  
was in Sarnia to Alton B -  
general they told her Alton was  
5-7. That would make him 5-8  
Jan 10 - 1948. They had a photo  
of him & he is running for election  
at Saskatchewan (Rockham).  
Albert is leaving for the U.S.  
& is going to make his home

I don't know if I told you the news  
of the Avery family recently -  
All I got a letter from Fannie  
Hall what is Sarah & Henry Avey's  
youngest daughter - she lives  
at Saginaw and has a large  
family of <sup>11 children</sup> her sister Alice & Will  
Beaumont her husband are both  
nearly blind & their son Claude  
died - a couple of yrs ago - so  
they live with the daughters - Rose  
& she looks after them -  
Lucinda <sup>4th</sup> her oldest sister went  
to California to live with her & after

Well I could keep on writing  
this way till dark & then  
I wouldn't have told you all.  
Nellie's girls are married & live  
in Saginaw. but the 2 or 3 boys  
went to war & are now scattered  
all over.  
Another sister of Nellie is Sarah  
Am<sup>a</sup>nda was married the  
second time & lived in  
New Mexico. You just  
should come up here & hear  
& see for yourself the true  
relations we have. ha ha

Well I have done a lot of  
scribbling to day but I have  
another letter or two that  
I never touched on yet, one  
from Detroit & one from Larson  
Chicago but I'll leave that  
for another time.

Write soon. & hope you  
have success with your book  
& perhaps I could help you  
financially with it. & believe  
me they will sell up here —

Well I guess there is no  
 relations any better than  
 "Us" if we are descended  
 from H & Loyalists.  
 The forefathers are pretty  
 well buried in a cemetery  
 at Cridolphoston. If you  
 want to take a trip to a  
 cemetery go down there some  
 day & look the graves over.  
 We are expecting <sup>mother</sup> a granddaughter  
 to be married in Feb. many.

Hope you had a happy  
Christmas & may the New  
Year bring happiness to you.

With the best of everything

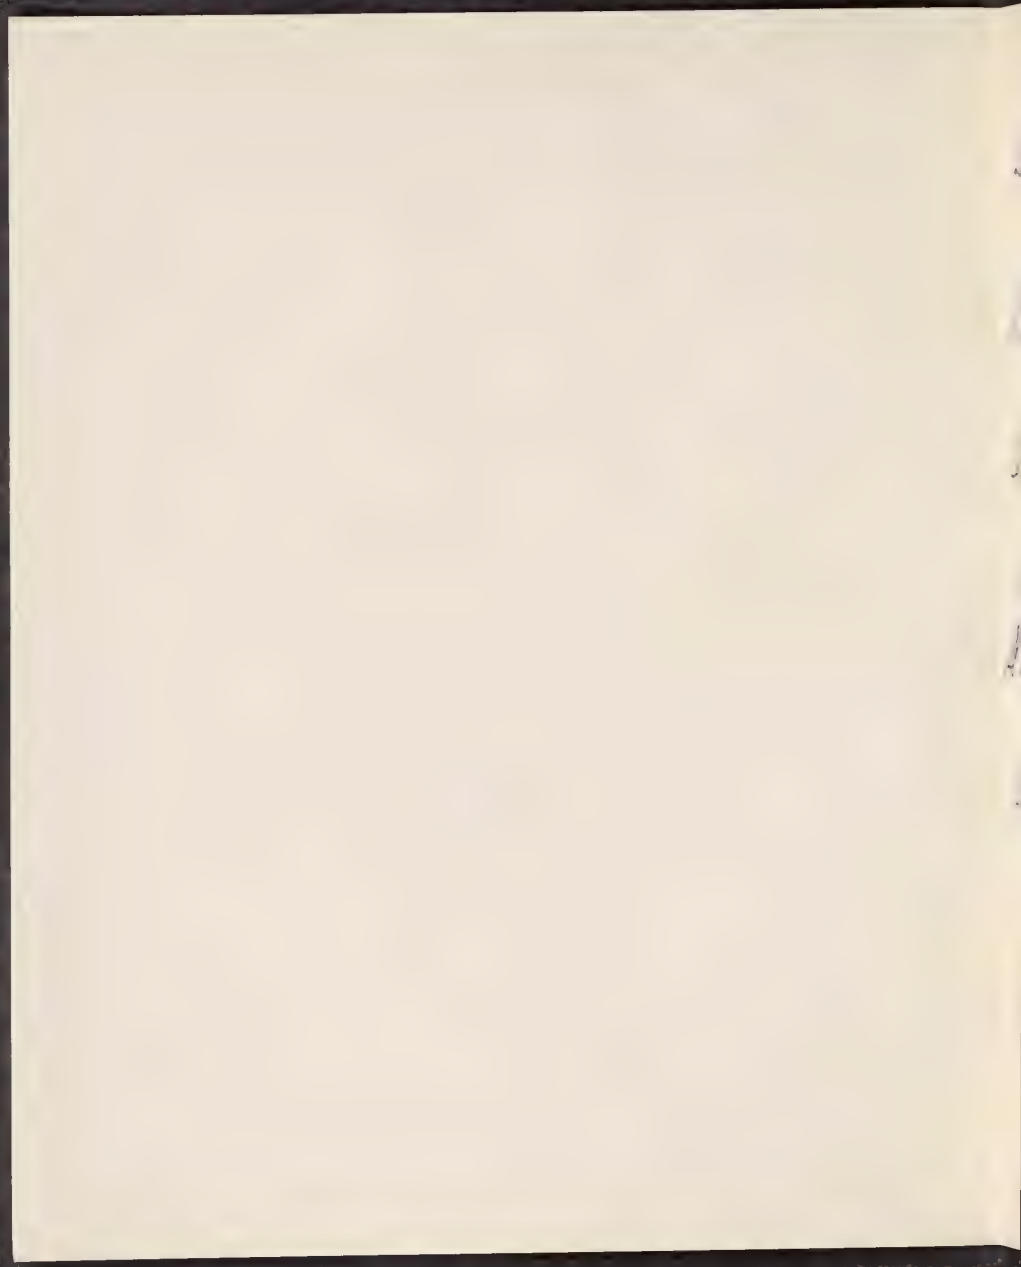

Yours ever

Dear Friend.

It's sometime  
since I have written or heard  
from you so that I hardly  
know whether it's my turn  
to write or not. but nevertheless  
I am going to write & tell you  
the sad news. Am enclosing a  
card also some clipping so  
you will see better than  
I can express myself -  
Well, Rosanna (sister) has  
gone on to her reward.

she got very thin as she took  
very little nourishment at the  
last 3 weeks, but the end was  
peaceful. She was buried  
beside Elizabeth Ann at Warwick  
village United Church Cemetery  
I miss her very much as she had  
lived with me for 4 years.

Mr David Bentley's widow died  
on the previous Friday and was  
buried in Sarma on Monday.  
The day before Rosanna died.  
Alice Bentley was failing for  
some time but was in Hospital 3 weeks.

2.

She was fairly well all summer but seemed to be getting thinner & weaker but was up around most all day until Oct 15<sup>th</sup> when she took to her bed & never rallied. A slight stroke in her shoulder & throat and she only spoke once or twice after she took to her bed. She seemed to know me but could not talk but with her eyes she understood me.

tell me I thought that maybe  
you would come up last  
summer. or when Irene's  
daughter got married and you  
could see what we all looked  
like: and get acquainted with  
your next Relations:

Horis had a lovely wedding.  
and I will send you some  
snaps later of the wedding party.  
She will live in Brockville.

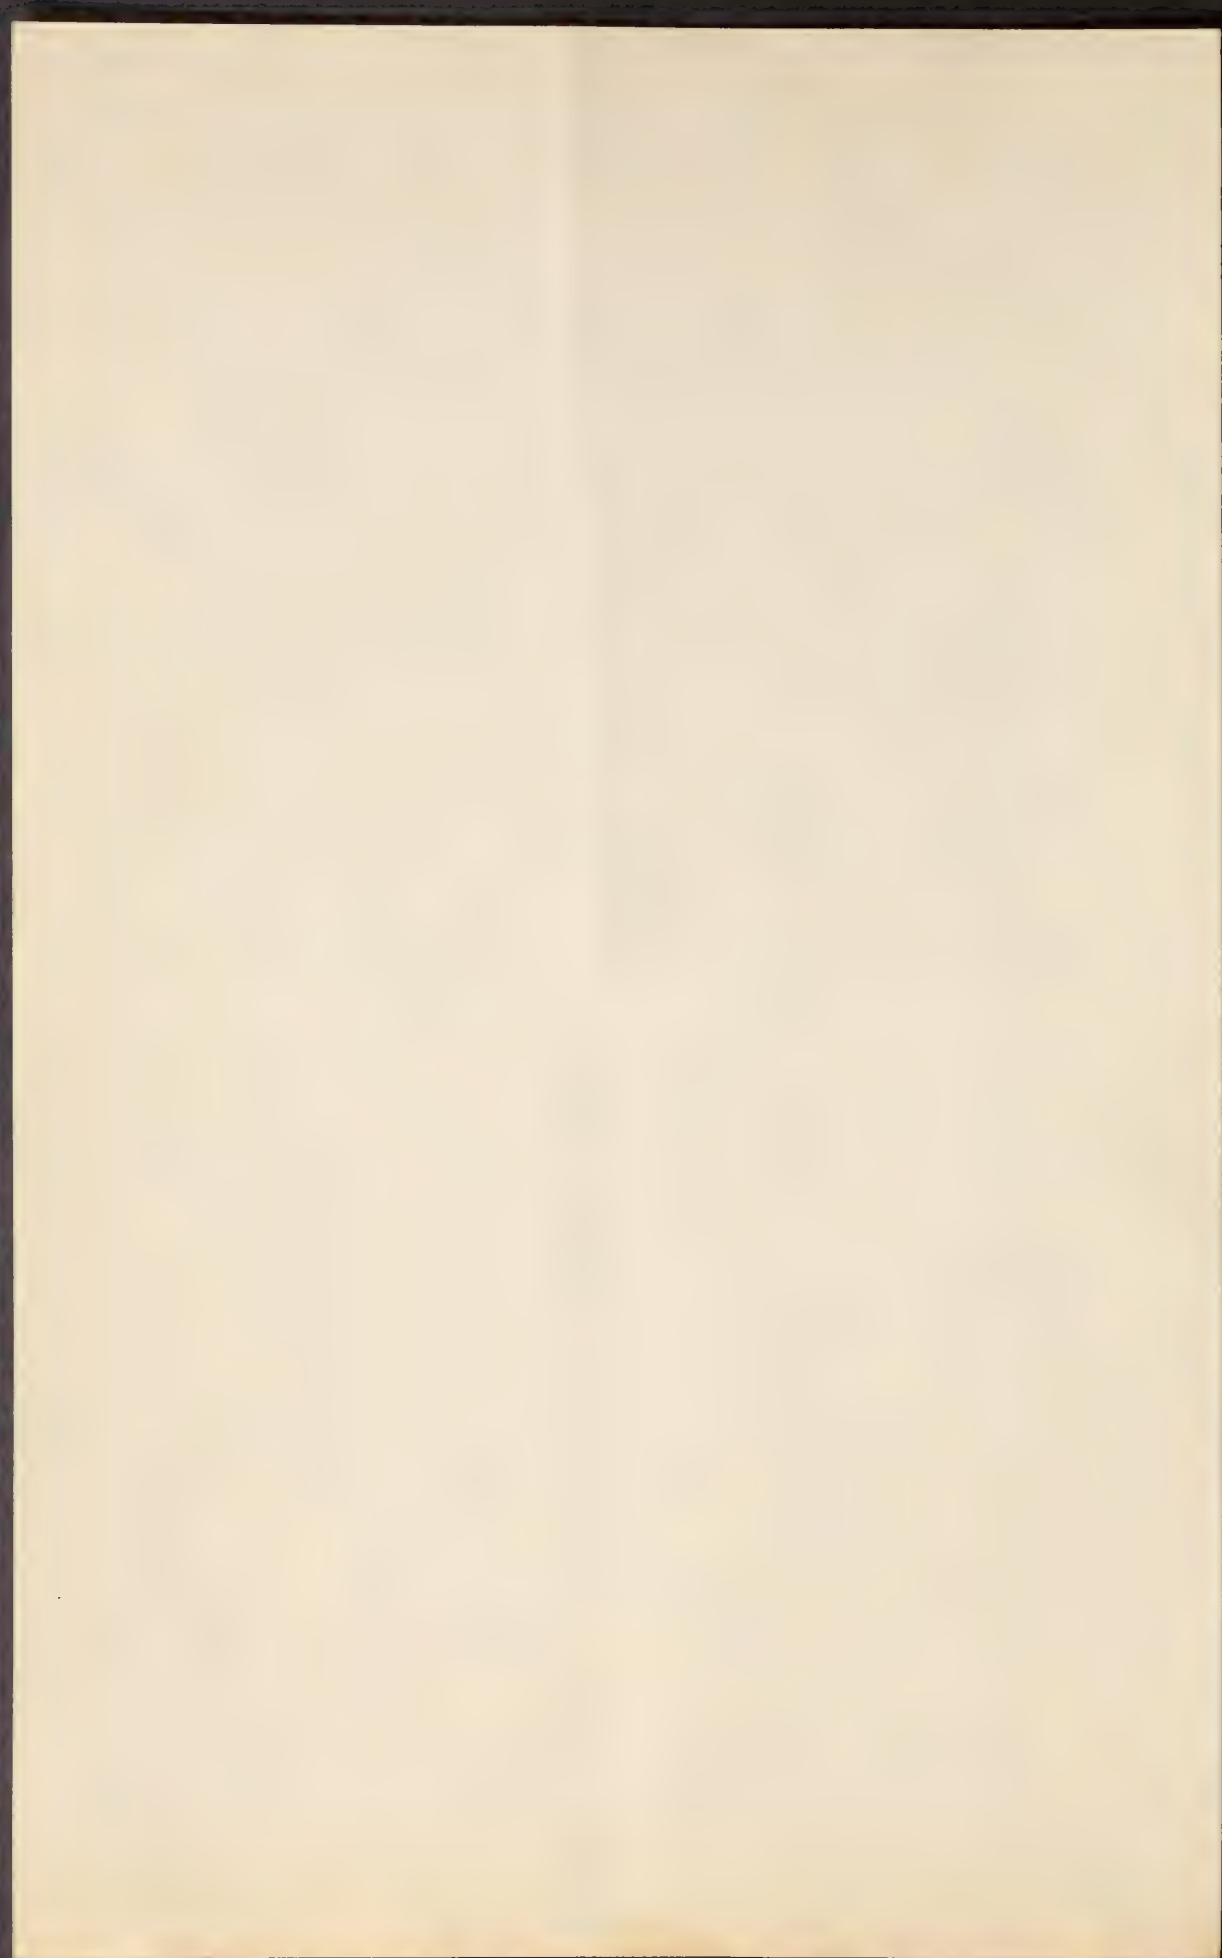

Hoping you are well & that will  
hear from you soon. I remain  
Emmo Morningstar

Strathroy January 2<sup>nd</sup> 1946.

Dear friend

I received your letter and regret very much the passing of your mother. I am sure she was a dear old lady and you will miss her very very much. What an age to live it seems. incredible but nevertheless true. She was so smart & active right up to the last that it will be much more of a shock to you. To think she celebrated her birthday on the 15, and then her task was done & life was over. Rosanna was 89 in July 18, 1945. She is around as usual this winter but her mind is weakening. She doesn't realize what's going on whatever. She read the account of your mother's passing in the paper. But didn't understand "who it is" only said Sarah Jane Rogers and I thought

she was referring to - David & Caroline Rogers - daughter, so I didn't try to correct her, as she doesn't remember from one time to the next,

Well the reason you didn't find my letter last fall was because I hadn't written to you. I think I told you sometime ago. that we had sold our store & retired to a private residence. We moved here on Oct 30, and have a very nice home, we did a lot of repair work as most houses in the town need, but, we are comfortable and warm this winter. We are a block &  $\frac{1}{2}$  off the front st, that is from the stores and the United Church is a block away, in the next block from here.

Well we had the family most all home for the Xmas dinner, We had our Xmas dinner on Sunday Dec 23. so they could all come, but George is still in the Army, & went to New York to meet the Queen Elizabeth

ships with the soldiers aboard and goes with them through to Vancouver. He has made several such trips from Halifax to Vancouver, with them helping to take care of their wants. He was home in 10 days in November on leave & will likely get his discharge in the spring. He has been seeing "Canada" after being overseas - but this is home to him & enjoys the trip. He had a few days at Winnipeg & another time at Edmonton & I think he likes it very well.

Will you asked me what concession David Rogers lived on, well, did you mean my Grandfather or one of the other David's. I will try and help you still in this - but the business but it seems almost impossible to pick up some of these Mrs McLean at Wyoming has sold her store & is helping to take care of her father.

Mr. Lucas is quite feeble he is 90, and when the fire burned their house the firemen carried him out, but they have repaired the house & are living in it again.

David & Elizabeth Rogers - lived on the road they called the Front between Carrying place and Amelburg, a couple of miles west of the Sagers (Joseph,) where my mother was born. Then they moved down towards Centreville, but I can't tell you how far or just where, only the location was - as I will describe it elsewhere. Then they moved to Warwick village, and bot 200 acres, with a hotel on it & that's where my nephew lives now. & I will describe that elsewhere -  
 Wishing you all kinds of success for the year  
 I will close, Emma Morningstar

Dear friend

Received the 2 Brighton papers and  
enjoyed the reminiscences very much  
many thanks for the same -

We have stood the winter fairly  
well - considering the hard weather  
& deep snow of January. Never  
in a good many years have  
we had such a quantity of snow  
as we had this winter and never  
a "Jan thaw" - We have 10 days  
of fine weather & the snow is  
gradually going with the  
exceptions of the back roads,  
the main roads are all clear  
and "old Hobbins" can have a  
rest as the Cars are able to  
go again. The family are all  
around as usual able to eat their 3  
meals. Rosanna is fairly good.  
She is somewhat weaker & sleeps a lot  
but is about the house as usual at  
other times.

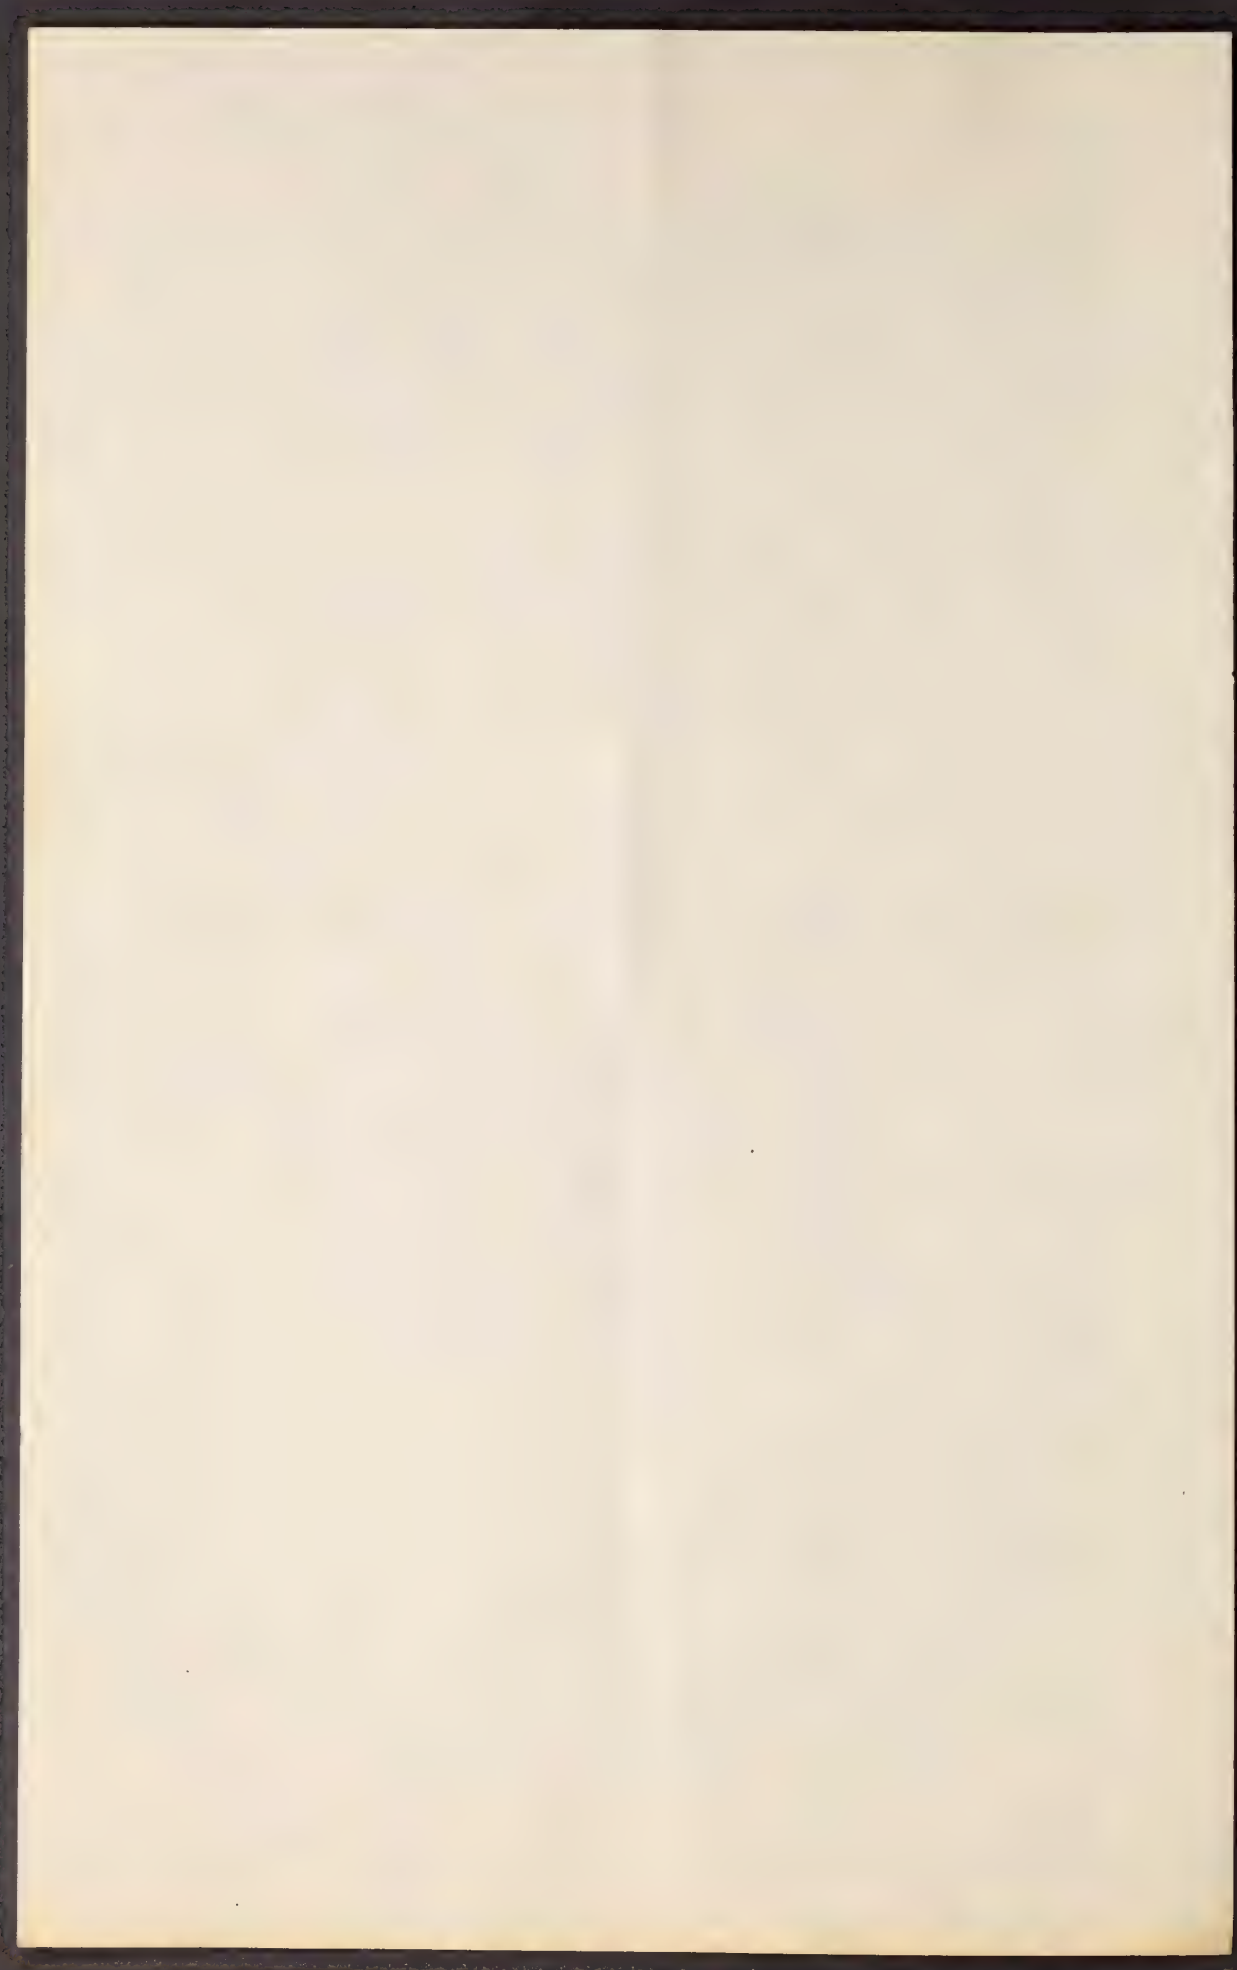

our son George is still in Italy.  
He is rather close to the front at times  
but is progressing in his work.  
He has had some thrilling  
experiences during the winter in  
& around the hospital. He was on  
surgical work most of time now.  
since the new year.

I am sending you a clipping  
taken from the Forest Tree Press -  
telling of Asa Rogers - death.

*no diff* I haven't had any more word from  
the Rogers (Mrs May Drvin)  
of Vancouver. So haven't  
got any thing on Frank Rogers.

I hear from Jessie Rogers <sup>several</sup> occasionally.

pretty cold weather and a lot  
of snow this winter. The highways  
are pretty well plowed out but  
the other roads are almost  
impassable. We got over the  
Xmas holidays about as usual -  
and didn't feel any the worse  
for all the Turkey & goose we  
devoured. Well this Rogers tree  
is a problem. I saw some friends  
from Wyoming & asked a few  
questions so found out where  
to write. & then wrote to <sup>Mrs</sup> Myrtle  
McLean. but didn't get very much  
satisfaction. but when spring  
comes she will go to the cemetery &  
set the dates on the Monuments.

This Winter here reminds me of 1900-1901  
when I was down East - I remember Bellville  
Maine - for snow & blocked roads -  
Ethel

Myrtle McLean (Mrs J A McLean) .  
wrote & filled out a few of the  
questions I asked but it didn't  
seem sufficient. but she passed  
it on to Bert's widow Catherine. & she  
helped out. They said if we would  
write to some of the older ones out West  
that probable we could get more.

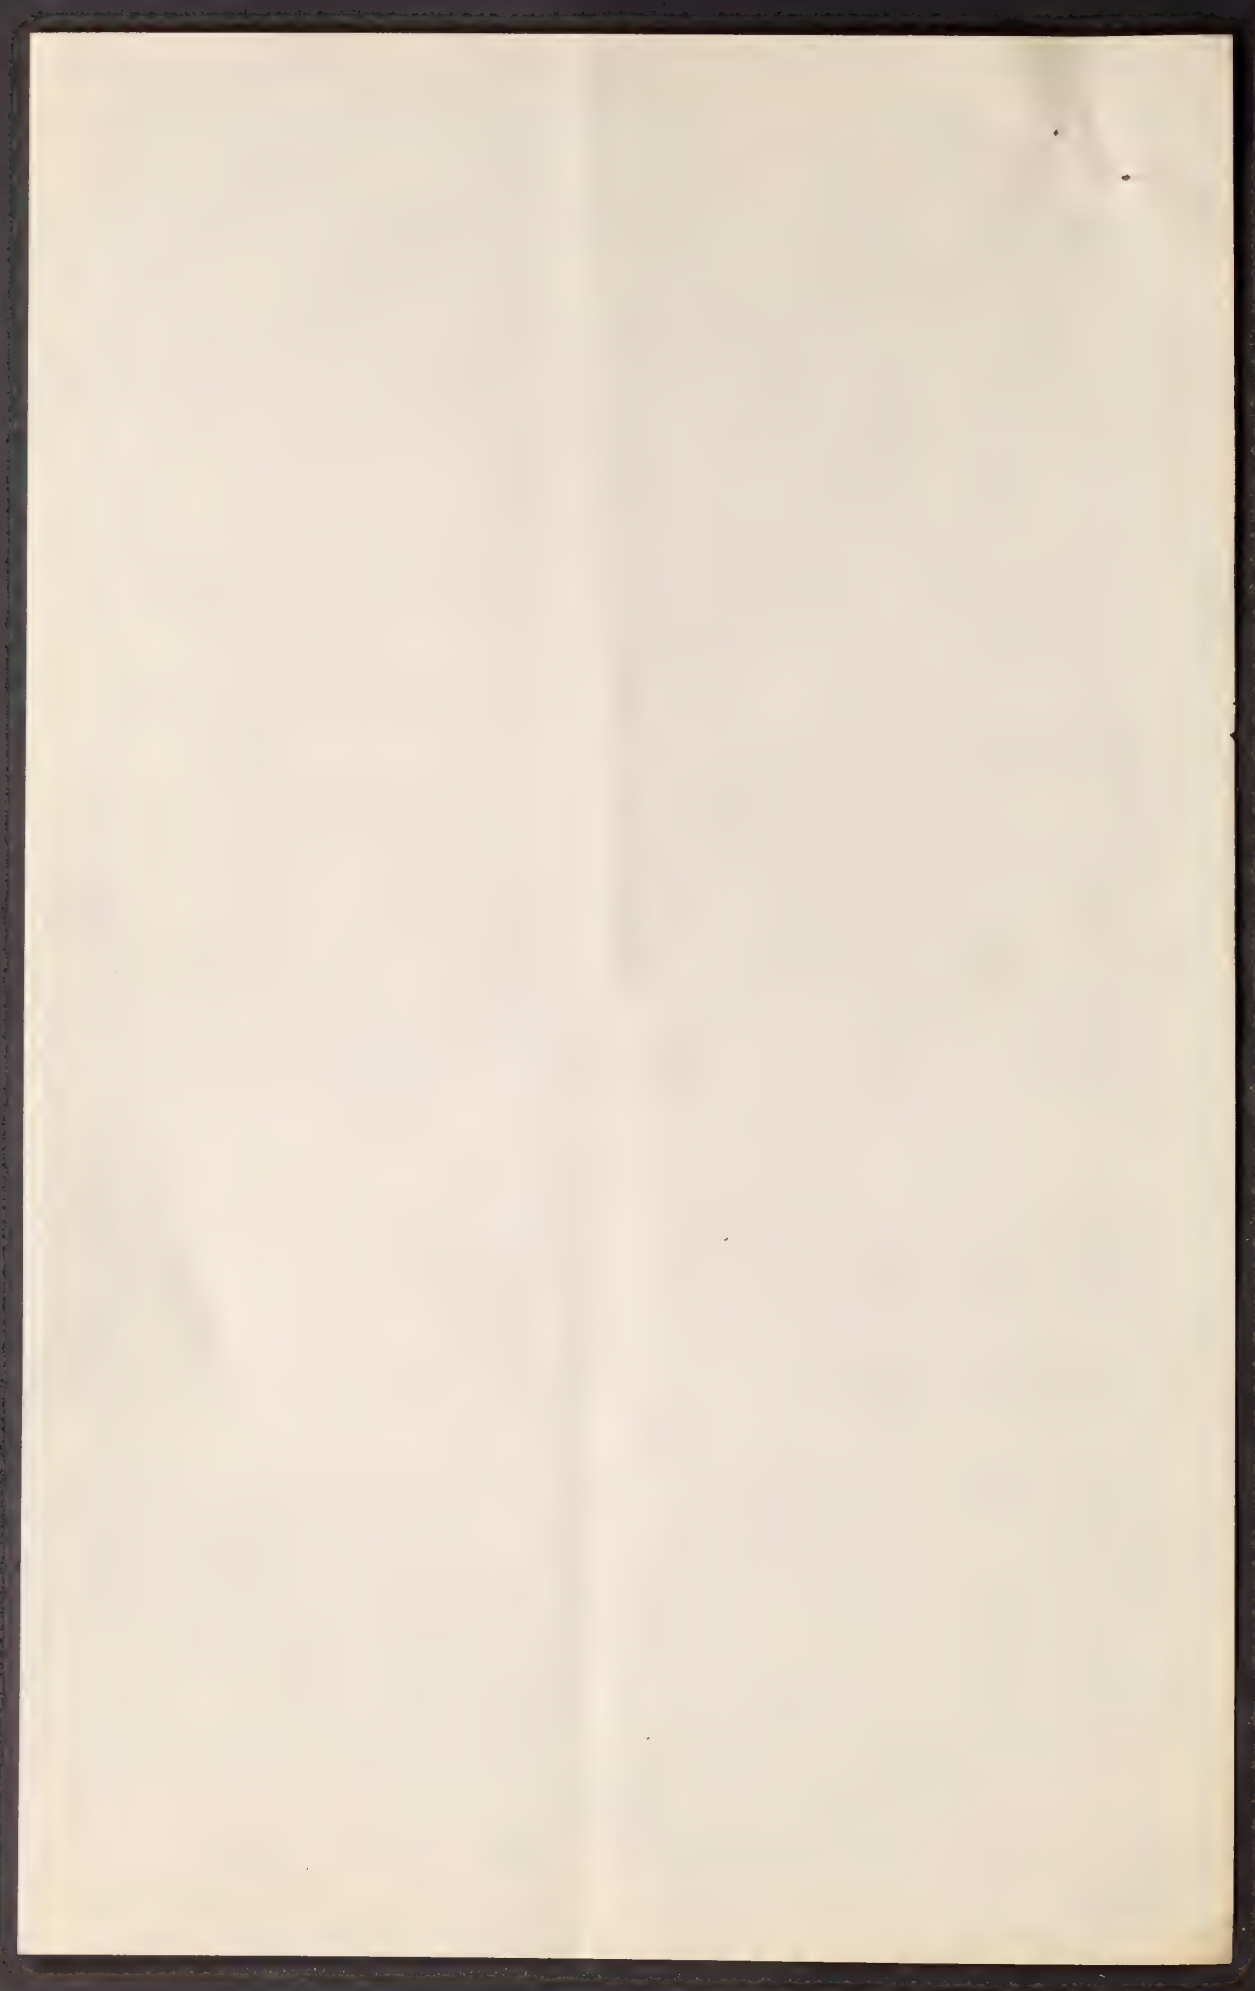

Harry Lucas has been married 3 times  
his second wife was Louisa Rogers.  
His 3rd wife is still living &

Myrtle lives with them and runs  
a grocery store which was her husband's.

Well here is hoping that this list helps  
just a little & gives a clue to some far  
from here that might remember dates.

Will close for this time with  
Best Wishes for the future.

Emma L Mornayton.

I wrote to May Rogers (Mrs W Irving  
at Vancouver ~~to~~ see if she  
could hunt up Frank Rodgers who  
lives there (Uncle Henry's Frank)  
but havin' had any reply.

I will send you what Myrtle Mc-  
sent me. It all helps a little.

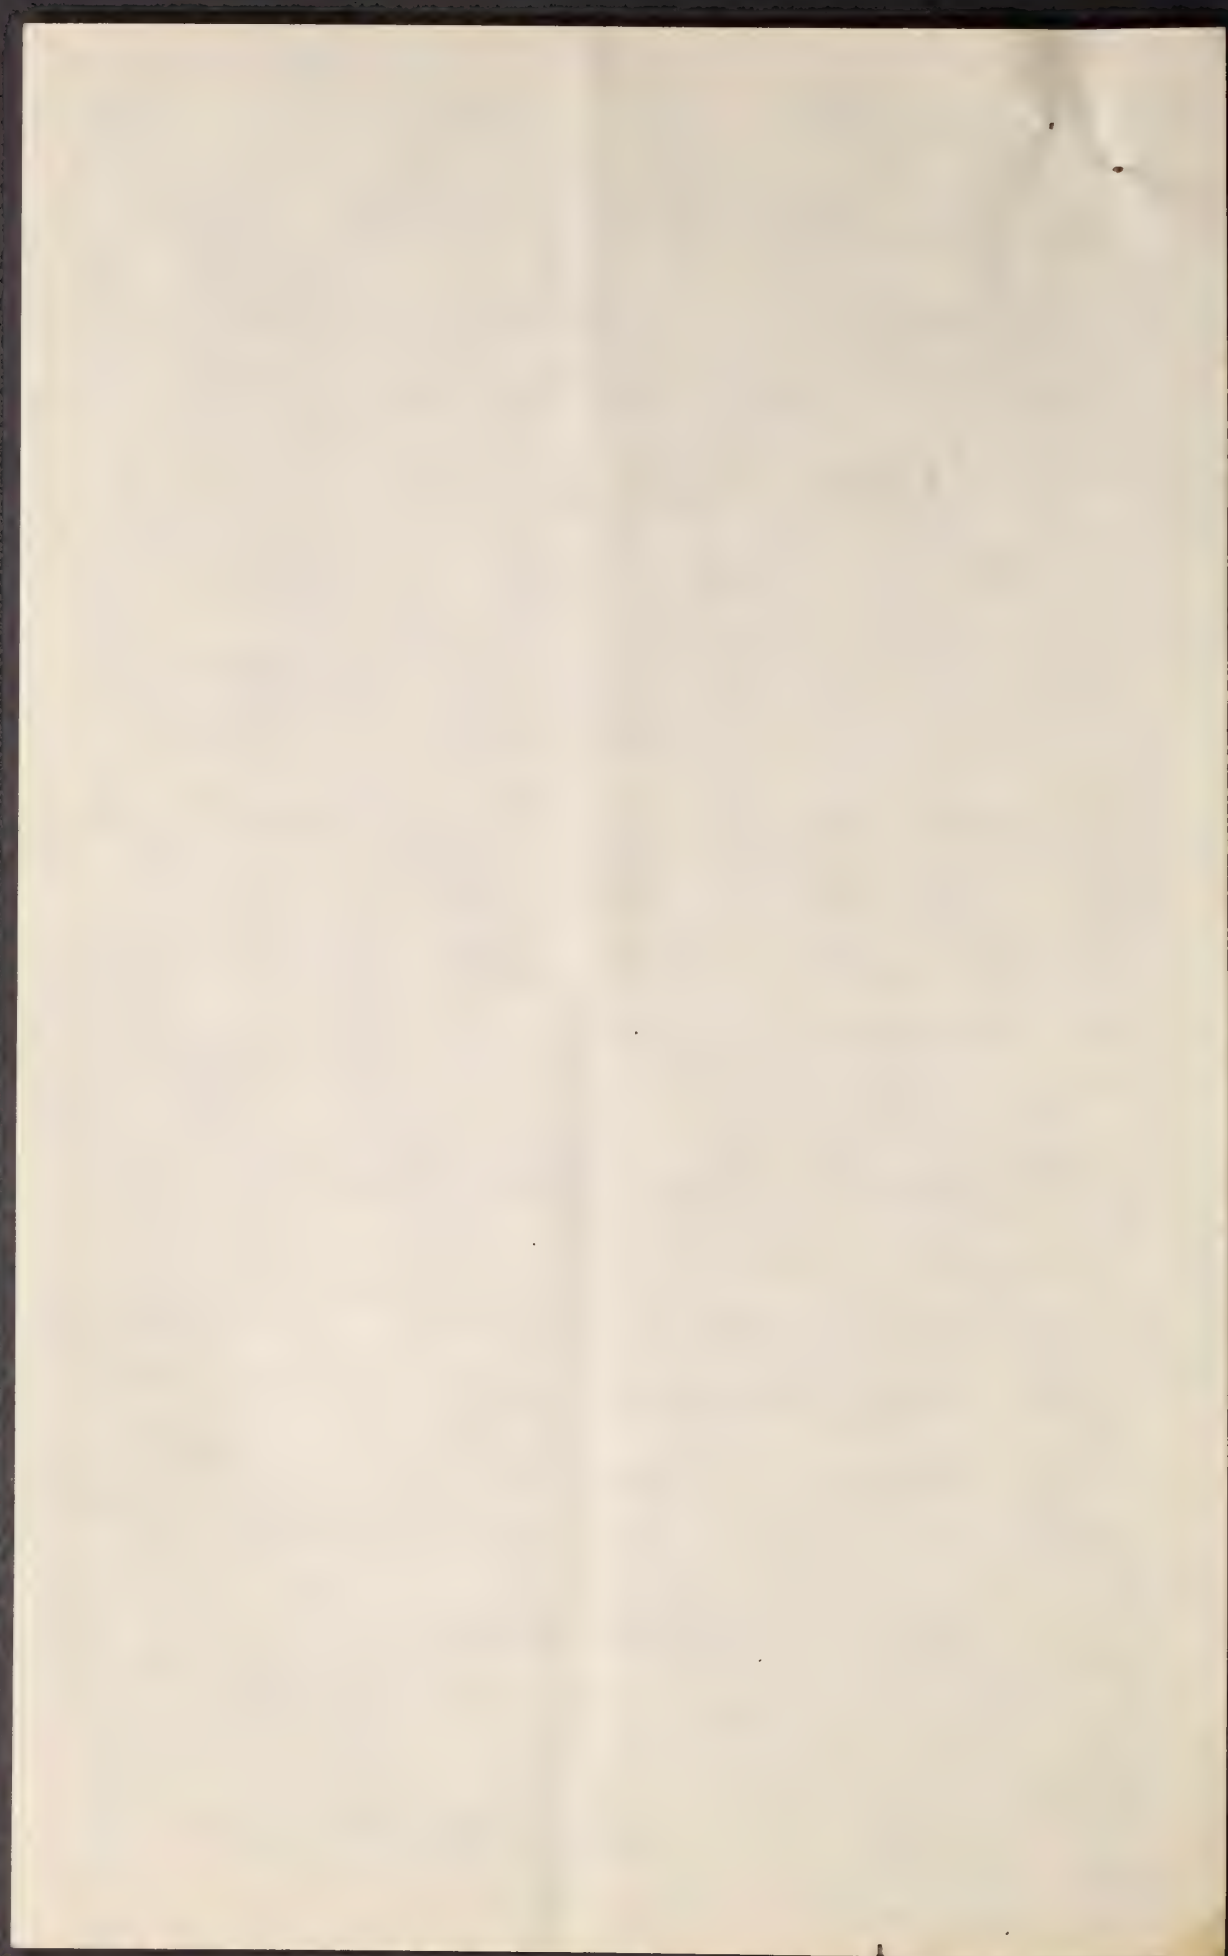

Rosanna is about as usual. She  
is around the house every day.

May Frank's son Berbie has gone  
to Toronto to take a 2 months  
course in Plumbing etc.

(my grand son) he is just 18 on Dec 26.

Laura (Mrs Chapman) & family are  
snowed in & havin' been here  
since the Sunday before Xmas. but  
we hope the roads will soon  
be in running order again.

She says the Mailman leaves the  
mail at a farm house on Highway  
& the neighbors take turns going  
there for it. We havin' had so much snow  
in a few days many years.

Dear Mr. Freeman,

I recieved your second letter and should have answered sooner. I have been busy canning etc trying to make the sugar stretch. However we should not complain about such little things when there is so much suffering all over the world.

You asked me when Wm. Dodge was born. It was written in the Bible { Sept 1838 as far as we can tell } so I am afraid there is no proof of the date. Wm's father was Thomas and his mother Rebecca.

I am sending you Muriel that is Geo Rogers daughters address and it is a wonder if she would

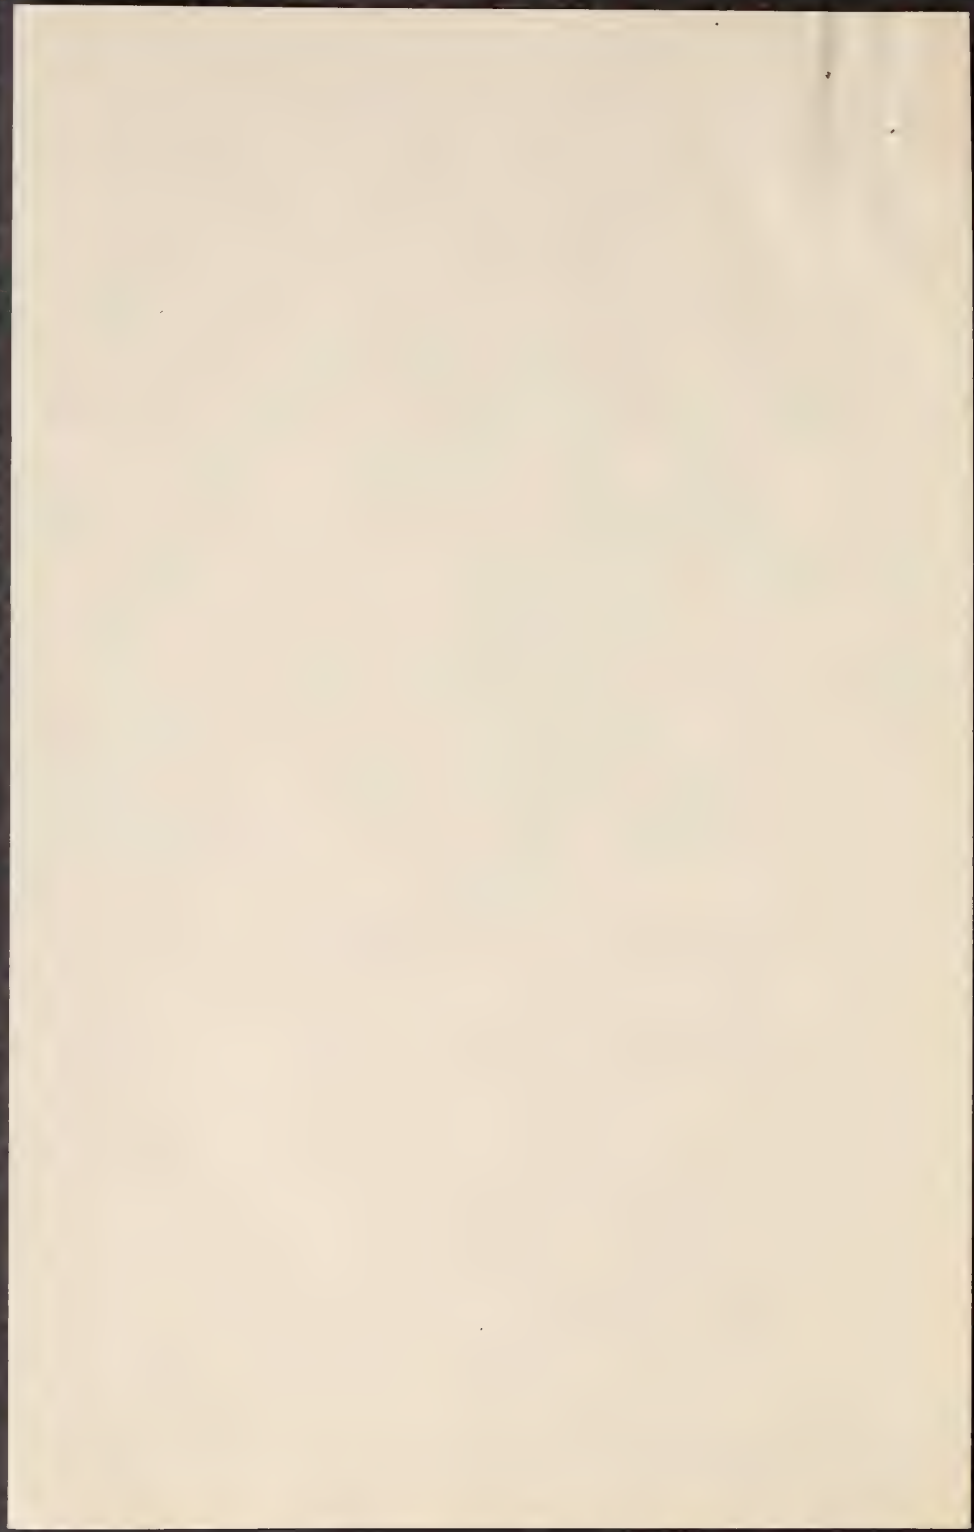

know some of her first cousins  
whereabouts. Had always wrote  
to Uncle Geo as long as he  
lived but not knowing the  
family you loose contact with them.

Mrs Ronald Wards

1910 Russell St.

North of Berkeley California  
U. S. A.

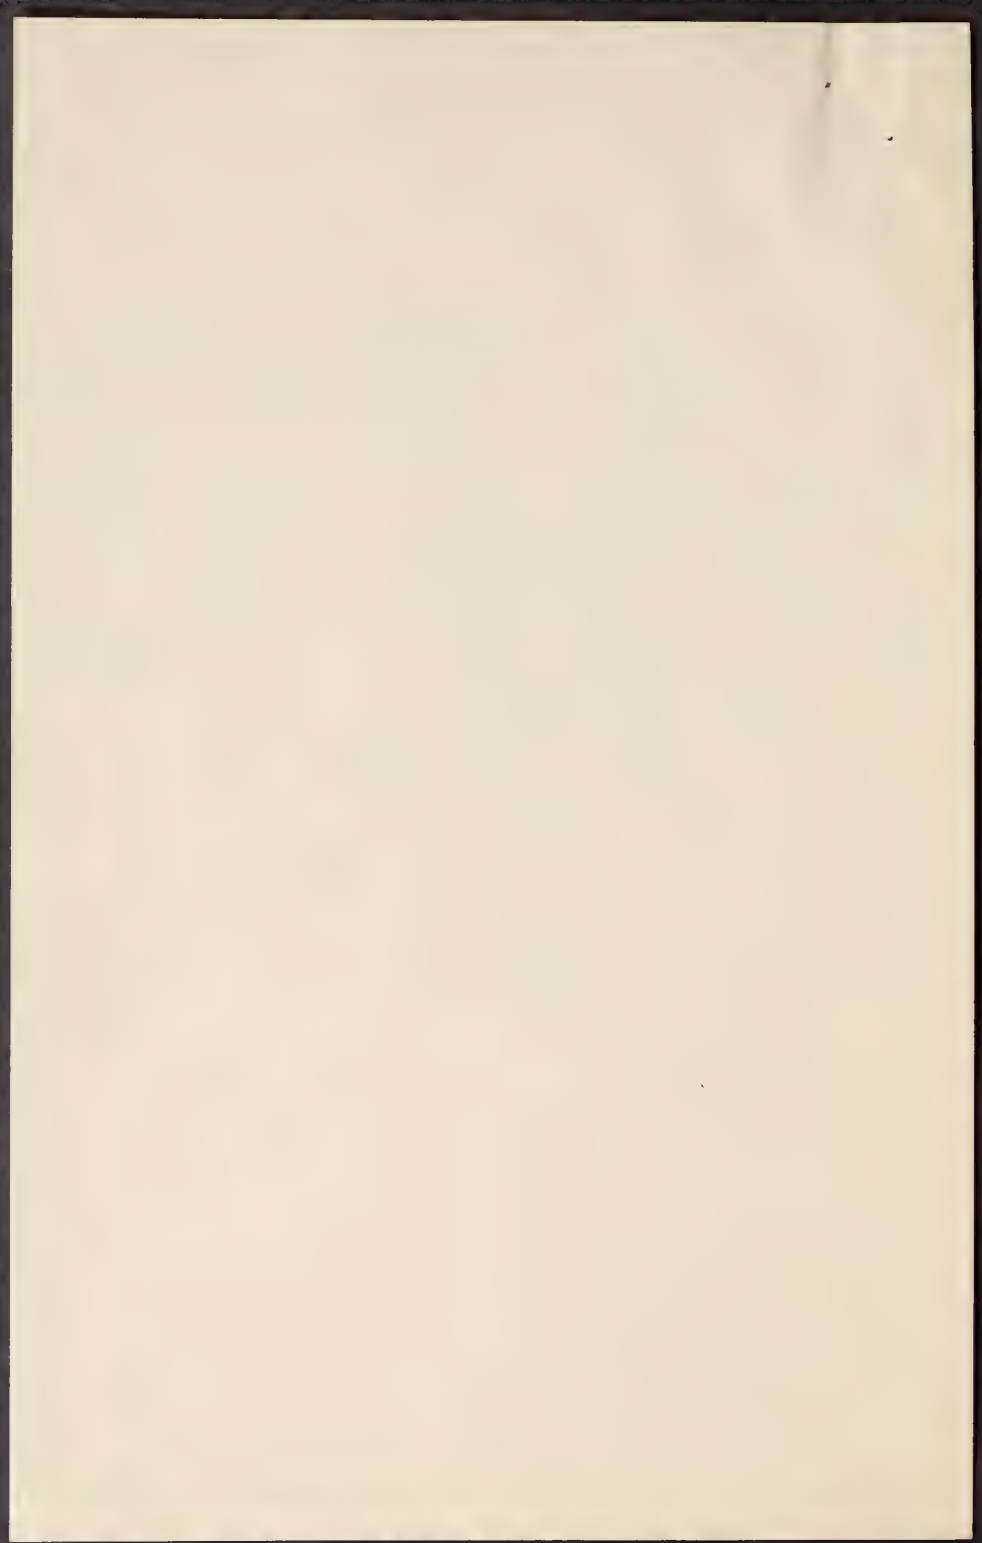

It was kind of funny just  
last mon our oldest daughter Evelyn  
was down to Walpole Island & where  
she was visiting a couple of ladies  
came to call campus and when  
they introduced Evelyn Archer why  
they said my mother was in Archer  
so they must know all about it  
However as I say Evelyn didn't

know anyone but her uncles and  
aunts however they tried to  
insist on us going down & bringing  
my husband's uncle who was at  
this week along & he may know  
more. They just live in Wallingford  
not so far away.

You have quite a charge looking  
after your mother. I am sure she  
has tried to see a great many things  
and it looks like she is enjoying it  
all. I am sure she has had a  
time with things she is going to  
the point of saying she is  
very near to us in the Army  
and I have one brother & my  
husband one brother & both are  
married & farming and the rest

generation is hardly old enough.  
 We try to help the Red Cross  
 & give what we can. My husband  
 goes into the Blood Clinic & he  
 has been intending to go but just  
 hasn't gone yet. This isn't very much  
 but it helps a bit. My husband is  
 overseas but we are just ready  
 for service when the letter is  
 signed.

Hope you can get more information  
 from address of you & we  
 you have quite a task ahead of you.  
 We must run along we are waiting for  
 to. If we will have when we are working.  
 The owner has gone in a hurry. The  
 girls are back to school now. Hope  
 we will have lots of news another year.

Yours Sincerely Ella Red

Mrs Freeman -

Dear Cousin,

Your letter to hand some time ago & I will now try to answer but not all the "Questions" that we would like but an explanation of some -

Well I wrote Lulu Clapper about John Stewart, after hunting the numerous Johns in the telephone Book. (so you see I am never idle.) Well Lulu says. John S. died a no of years ago in London. So we cant get any more news there.

Still, David's Fallson's (widow) was here all day <sup>on</sup> her 50 anniversary day Sept 27<sup>th</sup>. Next day she took a heart attack & several for a week. and passed out Oct 5<sup>th</sup> - and was laid to rest in Warwick United Cemetery Oct 7, age 81 years. She was a great Church worker and the Rev. Gentlemen preached a rather personal sermon on her life as she had lived all her life in Warwick.

Well - at the funeral I saw a great many of the relatives among them Geo Lodge wife.

His daughter Ella & husband John Archer. So of course they wanted to know all about this Mr Freeman that getting the Family Tree traced. So I told them you were a good looking man. I was legible for a fine looking woman, could they name me. Ha ha.

To go on with the story. The Hodges meaning Geo. Couldnt give us but very little information. He said the Ben Rogers family were all dead except Frank, and he had not heard from him in several years. but he thought he still lived in Vancouver B. C. but did not have his street & no. Perhaps we could get it through the P. Office. and yet May Irving might trace him. May is Gertrude Collins sister, and I

think I could get her address from Lulu Clapper. as she writes to her.

Well I asked about Harry Lucas in Wyoming. Harry married a second time. a Miss Moore. Harry is over 90 yrs and just recently retired.

Handwritten text on a piece of aged, yellowed paper. The text is written in a cursive script and is mostly illegible due to fading and the condition of the paper. The paper is folded, and the text is written in several paragraphs. The ink is dark, but the lines are very faint. The paper has a mottled appearance with some darker spots and a lighter, yellowish tint. The edges of the paper are slightly irregular and worn.

3.

He was a shoemaker by trade. He had one daughter Myrtle by first wife (Louisa Rogers) who died 1897 age 45 yrs.

Myrtle married John McLean and John has been dead 4 or 5 yrs. so I was informed by The Hodges - & I think Myrtle lives with her father in Wyoming.

I think I will write to a sister of his second wife as I am acquainted with her, and probably she could stir up something for us. hers hoping.

Rosanna is around as usual, but not so smart as formerly. We took her up to Warwick to see Maggie Fallow when she was dead, but not to the funeral. I thought it would be too much for her.

Our son is still in Italy, he had been all around Rome - and up across the Goshic Line for a month - and was back at his <sup>Hosp.</sup> base when he wrote Oct 24.

We have had a nice fall so far until this week. There's been a drizzle of rain every day. Well I think this is all for this time & remain  
your truly Emma Morningster.

Handwritten text in a cursive script, likely a letter or document, written on aged, yellowed paper. The text is arranged in several paragraphs, with some lines indented. The handwriting is somewhat faded and difficult to decipher, but appears to be in a historical or literary context. The paper shows signs of wear, including creases and discoloration.

Dear friend.

Received your letter sometime ago and have neglected to answer sooner but some how I will try to give you a few items on the relationship. although I haven't very much to contribute. But before I begin that I must tell you about the wind storm that passed through this section of the country.

It began up in Warwick township on the side line east of Warwick Village and uprooted trees & roofs from Barns houses. Then it went in an easterly direction crossing the 22 highway with very little damage & then south easterly for another concession & into Adelaide Sp. where for 5 miles nothing was left in place but 2 barns. Then south easterly again until it struck the north edge of this town where heavy

2  
damage was done & followed it S.E. to  
Komoka & ended at Lambeth. Houses  
Barns & woods all demolished.

It travelled about 40 miles with  
 $\frac{1}{2}$  mile strip. It would jump parts  
& then come at it again with  
a terrific force. Not much rain  
only for a few minutes & we scarcely  
realized it here. I didn't even shut the  
windows & yet a pane of glass was  
blown out of an upstairs apartment  
& cross the street from here. But that  
might of been from the lack of pretty.  
We had a street dance here in front of our  
place & kept it up to between 2 & 3 o'clock.  
& we feel the effects of it to day.

Rosanna is real smart & enjoyed  
watching the dances from the window.  
Our son-in-law is in Quebec this week  
attending a convention. There have been  
500 soldiers from Niagara-on-the-lake here  
camped in the park helping to clear  
the roads & debris from the wind storm.  
They were here two weeks & believe me, we  
were glad to see the last of them leaving.

Stratford July 18 1944.

Mr Freeman.

Rosanna had a letter & birthday card from Jessie Rogers but she didn't tell us anything about their descendants so I am glad you gave me a list of her children. As far as the Jacob Rogers & Rosina Emma Rogers is concerned, I think I gave you all the information I had or have up to the present time. Under the Henry & Ellen Rogers - heading I can give you a few addresses.

George Hodge's daughter is married to John Archer. <sup>wrote July 31, 1944</sup> and her address would be RR No 6 Forest. She lives on the same road as her father only  $1\frac{1}{2}$  miles away in Warwick Sp. while Geo lives in Plympton Sp. Ella is a neighbor of Mable (Minnie) Maw. Hodge jr son of Wm & Elizabeth is dead but his ~~2~~ wife lives in Forest when she is well enough to live alone, other times she lives with one of the daughters & I forget the girls' husbands name. but Forest would get the one & the other lives towards Petrolia. Rosanna is not able to tell any of this any more.

of Isaac<sup>h.</sup> & Mary Ann Brisco?

Daughter married E.H. Adams.

Two girls Mamie & Allie Adams of  
E.H. Adams.

Aunt Mary Ann lived at Kalamazoo Mich

The Adams moved to Evanston Illinois

Archie Mc Millan lives in Plymouth

Township. His address might be Camlachie.

but I am not sure. It will be a R.R. No.

and if it is it might be Wyoming.

So I cannot tell. but any of those would  
get him I would think. but it would be of little use  
to write him.

If at anytime I get information of these

I will let you know. but in the meantime

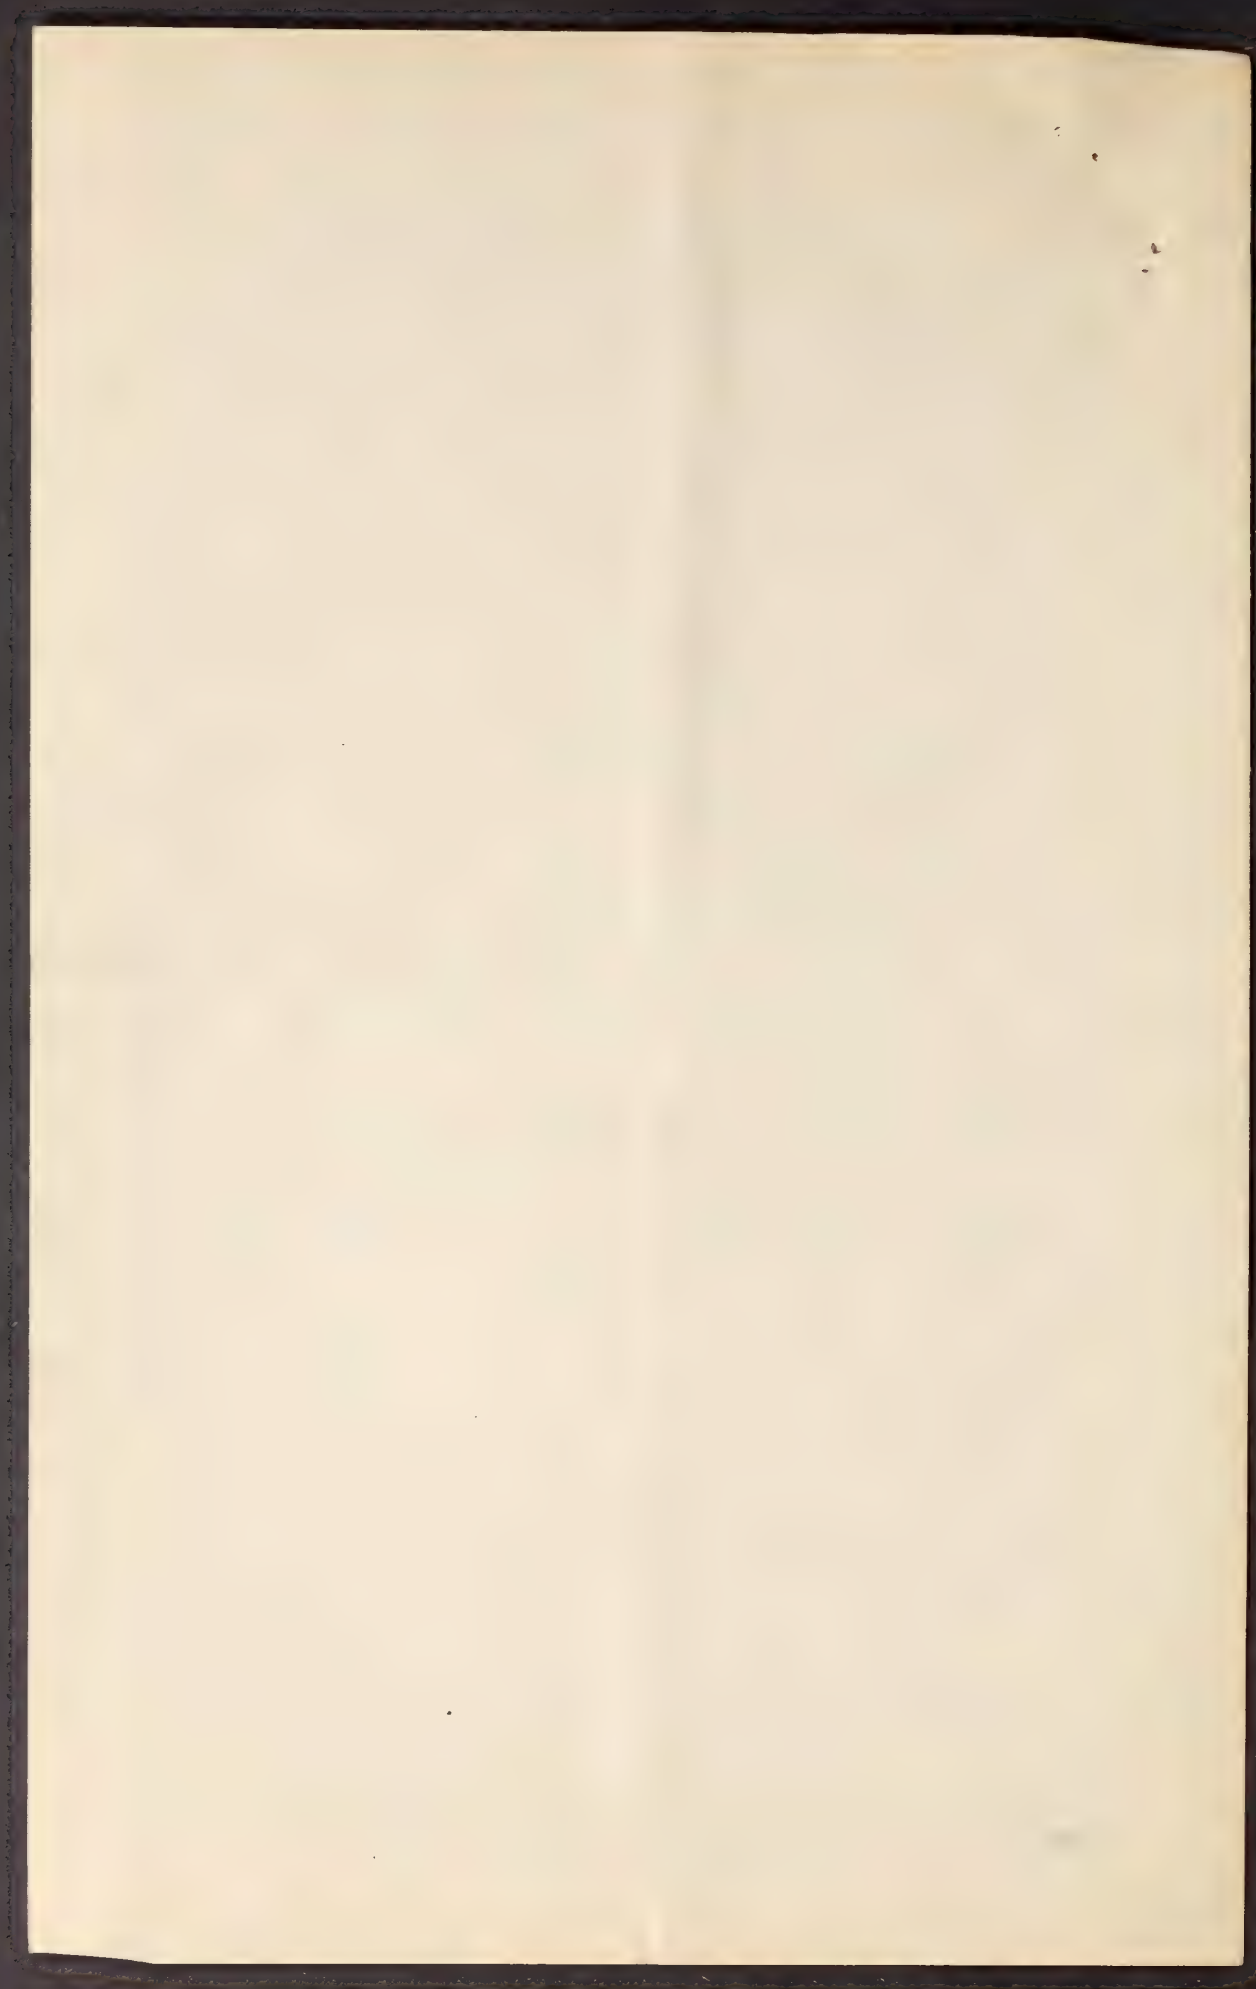

I am tied here with Rosa - so don't get out

very much & seldom go to Forest now. But

the Warwick folks have most all been down  
to see her this summer.

So long for the present. I hope to have  
more time in the future.

Emma Morningstar.

Strathroy March 8<sup>th</sup> 1944.  
Mr Freeman.

Dear cousin.

Well, I think it was Nov. that I rec'd  
your letter and please pardon me  
for not writing before this. I have  
not written many letters since  
Xmas. Have somewhat neglected  
my correspondants. but will try  
to make up for it in the near  
future. Well I havnt much news.  
but three deaths to record in  
the family tree. First there was  
Allen Cran Rogers, Lulu Clapper's  
brother. who. no doubt I told you  
visited us here last August. He  
went from here to Forest & the <sup>new</sup> Lake.  
Ippewash Beach. where he took sick  
& was brought here & rushed to the  
Military Hospital at London on Tuesday  
Evening & died there Sat morning Sept 4.  
Buried same day at London. 1943.

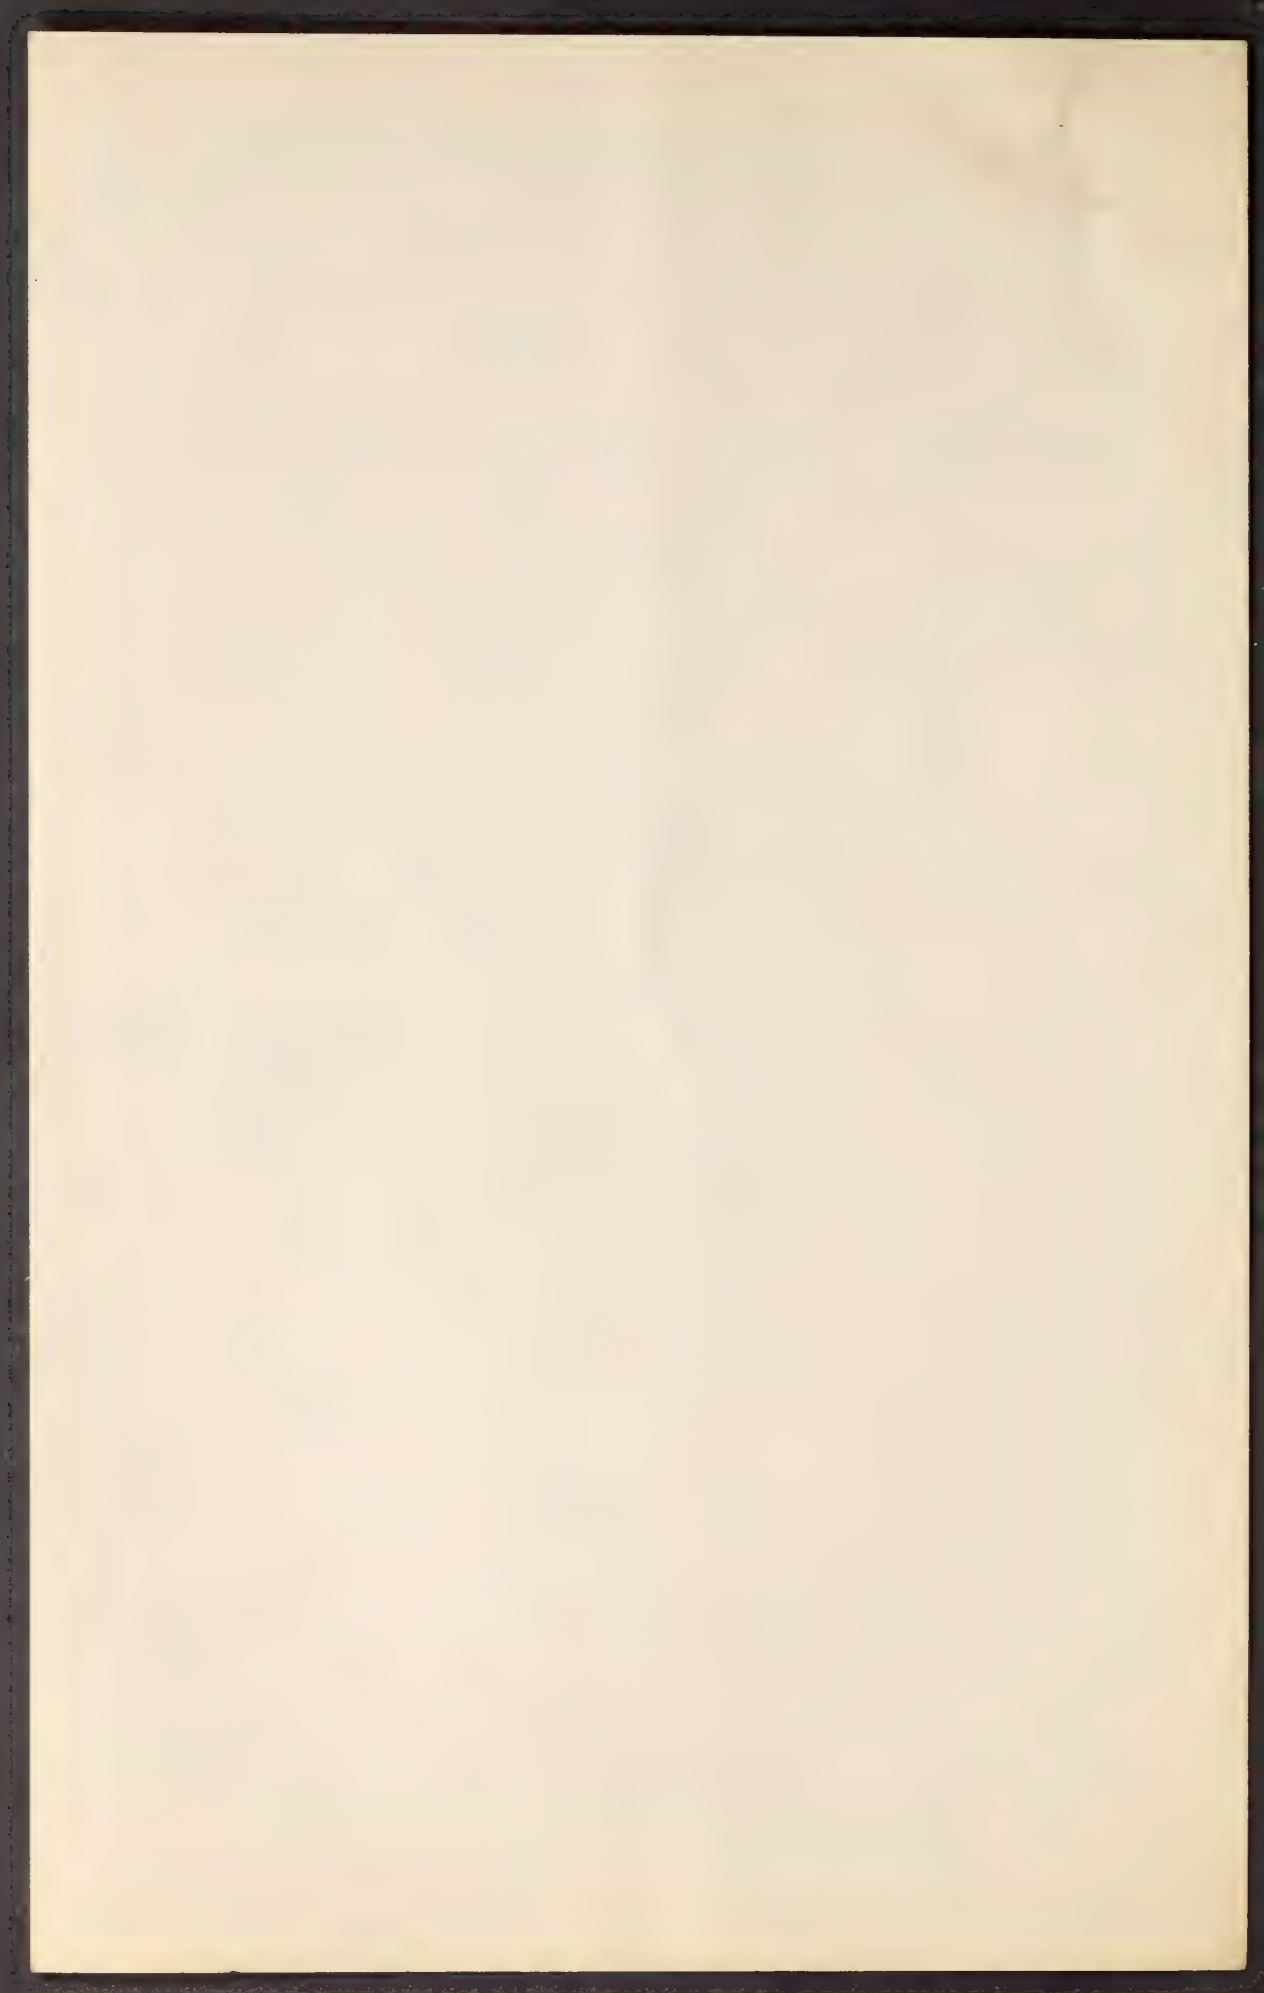

Allen would have been 60 yrs old on Sept 11. 1943.  
Allen had abscesses of the stomach & had  
been troubled with the same before a couple  
✓ of times. His sister Lula came from  
Cleveland to be with him at the last.

Well then there was Friend Avery.  
✓ only son of Henry & Sarah Avery, who died  
Oct 19. 1943. age 61 last April. He had  
been sick about two years with Cancer.  
He had two boys grownups. one was Marine  
& the other in the army.

Margaret Jane Rogers. wife of John Rogers.  
died at her daughter's Gertie Collins  
Walford, age 93 yrs. Sunday Oct 31<sup>1943</sup>  
was buried at Warwick Village Cemetery  
Tuesday Nov 2<sup>nd</sup> 1943. She is survived by  
two sons. 2 daughters. Geo. Victoria  
Rev. David. Toronto. Gertie Collins Walford  
May Irwin Vancouver.

Well this is all of the departures for this  
time. If there were any questions asked its  
so long ago that I have forgotten.

Well we are all pretty well here this winter. Of course most of us have had the flu, but who hasn't.

Geo is in N. Africa, been there since last July & was expecting a move soon to Italy.

Jane & 2 girls are living in London.

Jane fell & broke her arm in 3 places so has been laid up with that since Nov 11. It was so smashed at the wrist that it's not healing any to good but hopes for an improvement soon. We were to Windsor for the week end. and had a good trip.

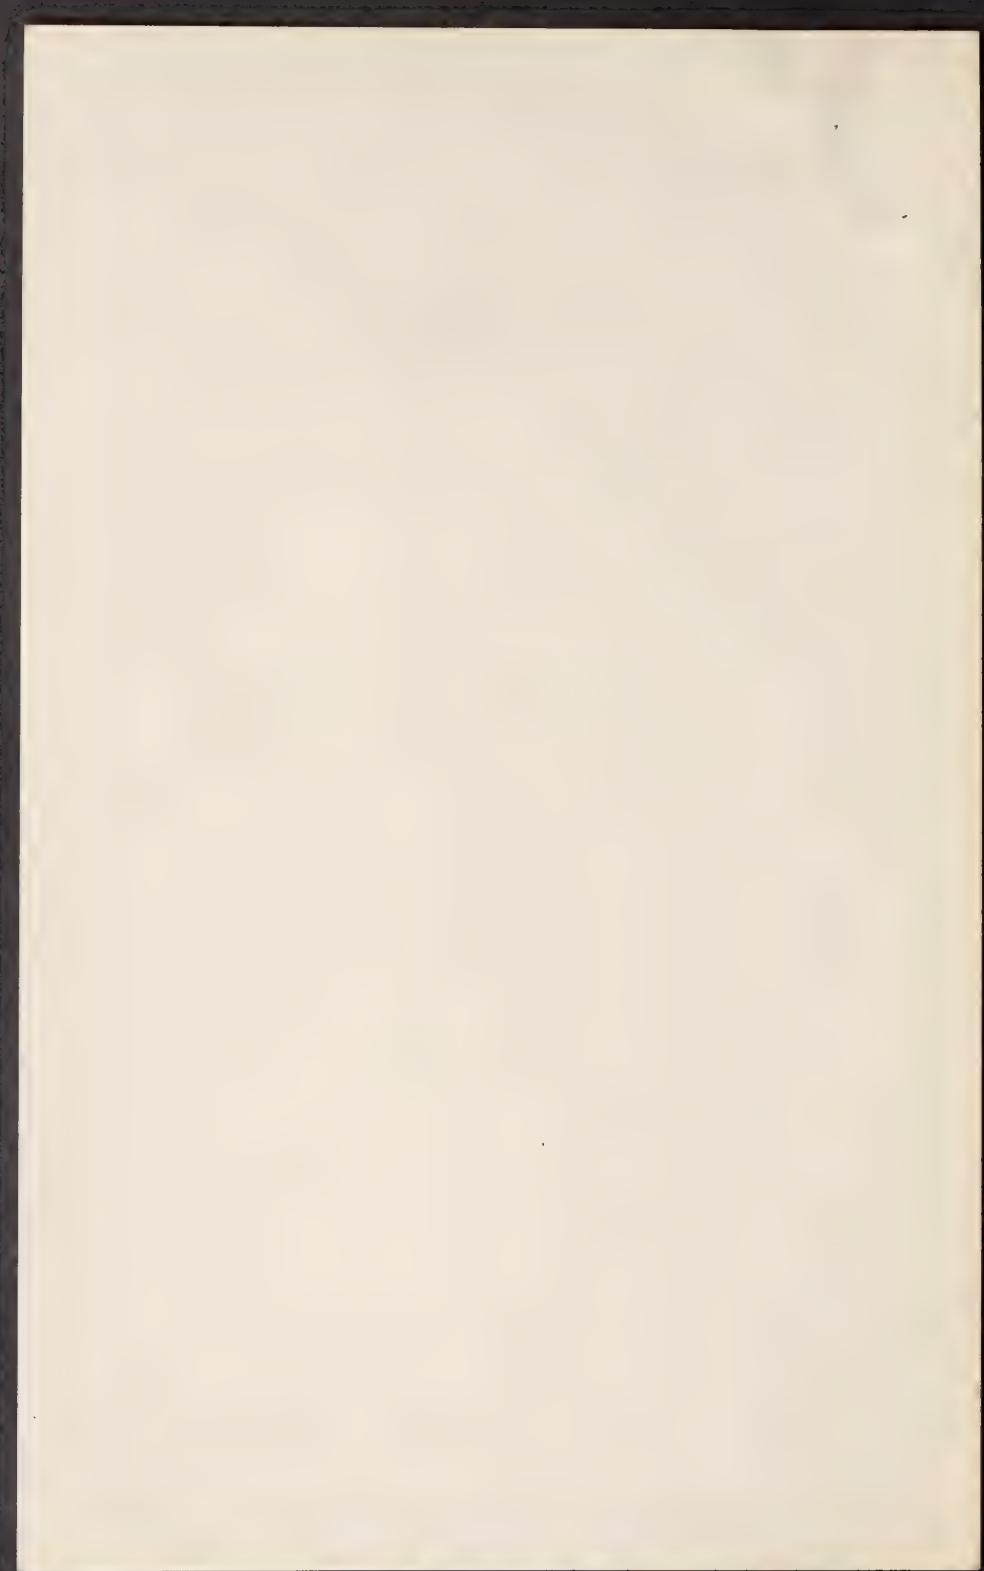

Sister Rosanna is here with me. & is feeling good for her. A few days a slight cold at New Years. she has been about all the time. Well this is about all for this time With best respects will close  
 Hoping to hear from you. Mrs Herbert Morningstar.

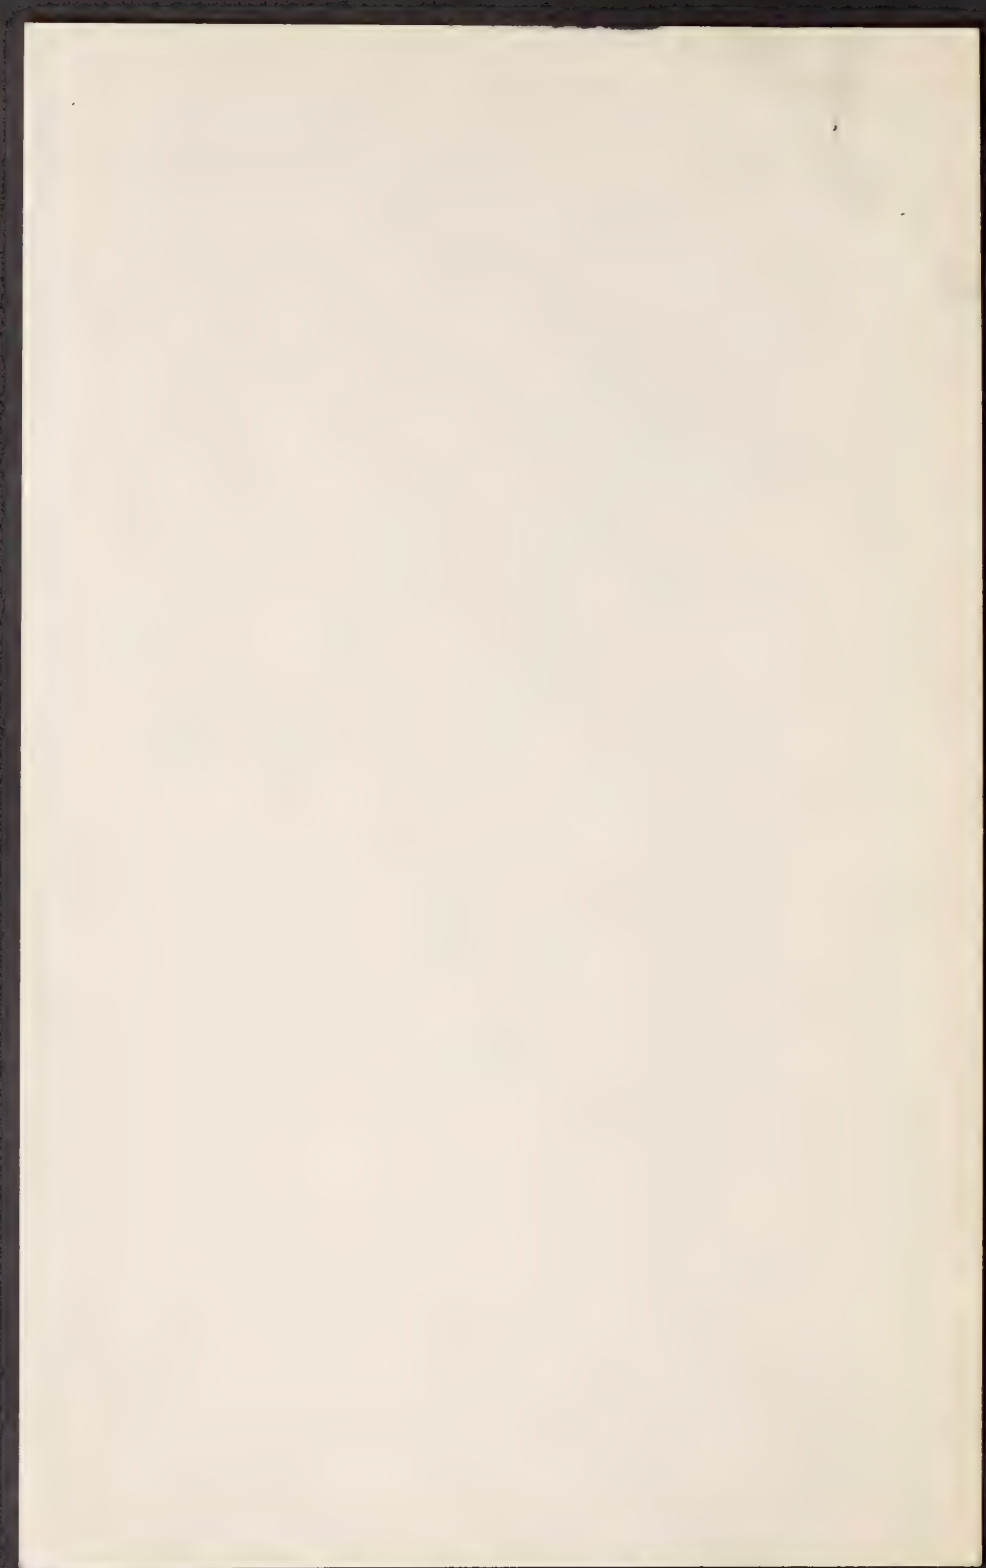

Strathroy Aug 21<sup>st</sup> 1943  
Dear Cousin.

Received your letter  
some time ago and am sorry  
I have not got around to answer  
sooner, but - better late than  
never. In regard to the Uncle  
Henry & Aunt Ellen - line. I  
remember Drills, <sup>and</sup> same was  
Herrington, and David Garnett  
was the one that married Clara  
Clark. John Francis lives in  
Vancouver, and I had a  
cousin here this summer  
when he goes back intends  
to hunt him up for me. He  
was a son of William (my mother's  
Brother) and lives at Vancouver.  
He gave me quite a lot of information  
of the younger generation. That  
live in the West & B.C.

When Lizzie was living we had  
 an argument about Mary  
 Brisco And I am quite sure  
 she was of the first family.  
 her mother would be Nancy Whose  
 and that was what I had  
 her done in my book. but  
 Lizzie said I was wrong & so  
 I gave in. She had a daughter  
 that married a Mr. Adams.  
 and they lived in Kalmazoo  
 Mich. not Big Rapids. which  
 is 3 miles from Kalmazoo -  
 I used to write letters for my  
 mother to Aunt Mary Brisco  
 and address Kal - . Mrs  
 Adams had 2 children a boy & girl  
 and they came to my mother's once  
 to visit: (yrs ago)

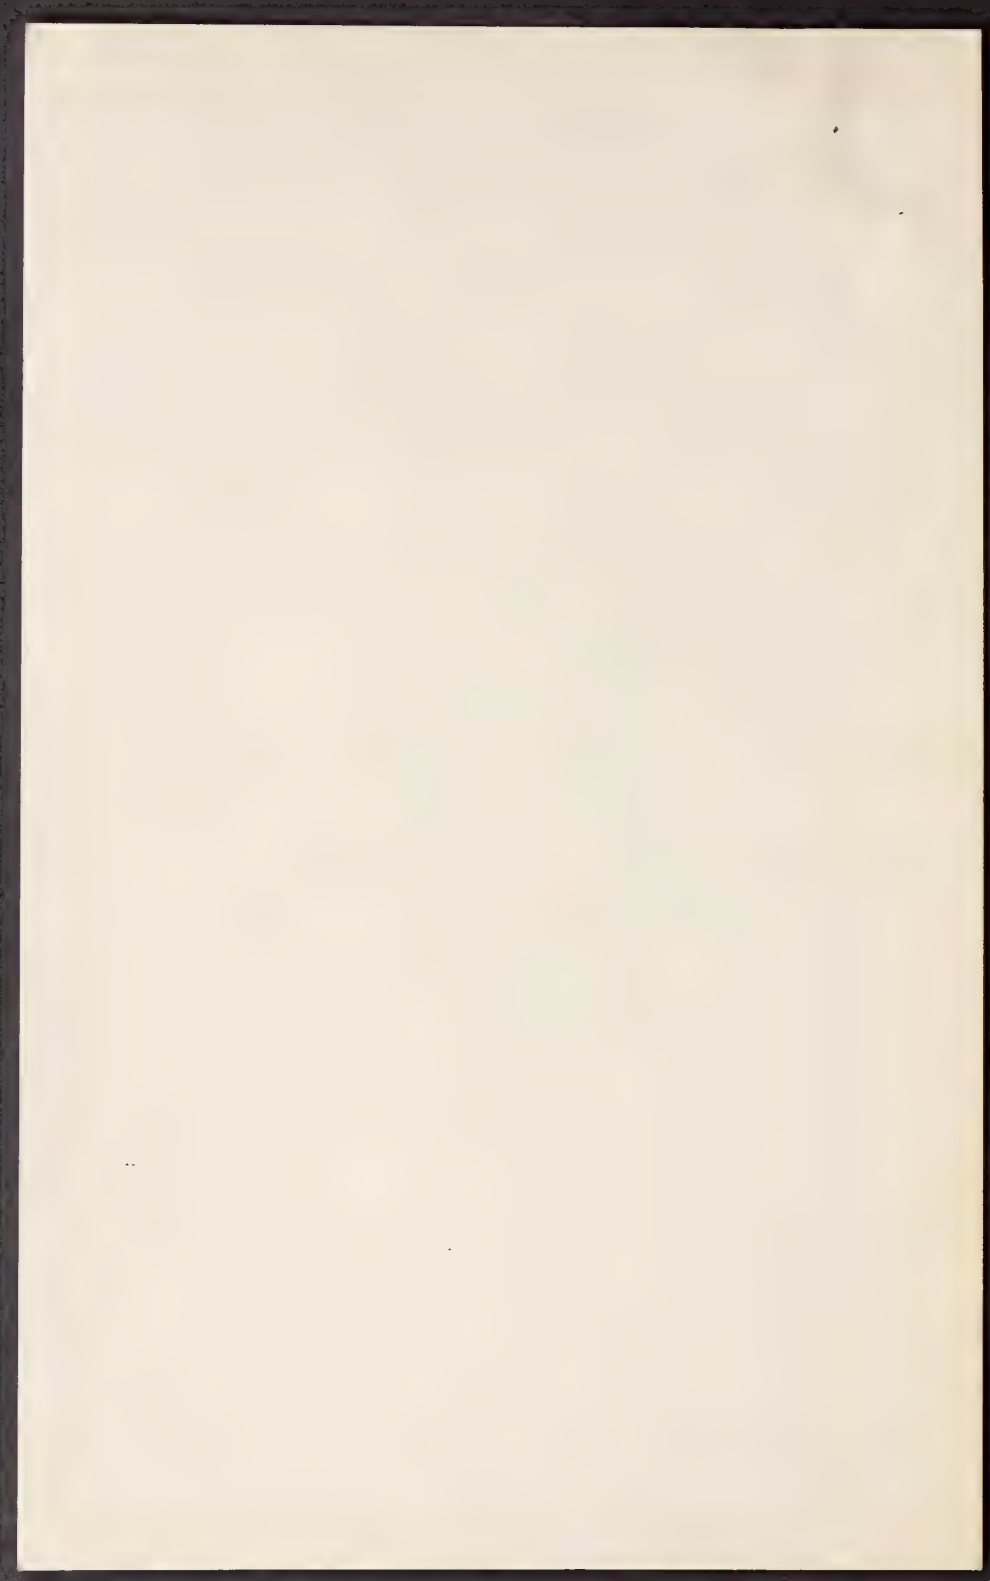

3.

Rasanna has these pictures  
so when I go over I'll ask her  
if she can remember their  
names - The Adams would  
be in the 80<sup>th</sup> row or maybe  
more, Aunt Mary lived in Kal-  
but the Adam<sup>s</sup> moved to Chicago  
(Everston Ill. right next to Chicago.  
<sup>everton apt 6/44</sup>)  
I'll get this straightened out  
some time. La.

Well our son George went Mar 23 from  
Camp Border to England and was there  
until the last of June, where he  
arrived in North Africa July 9-10.  
Since that has been to  
Sicily no doubt. There headquarters  
are N. Africa & I had a letter from  
him on Aug 23. And he is well &  
getting along alright. He is fairing  
alright, he gets lots of fresh fruit

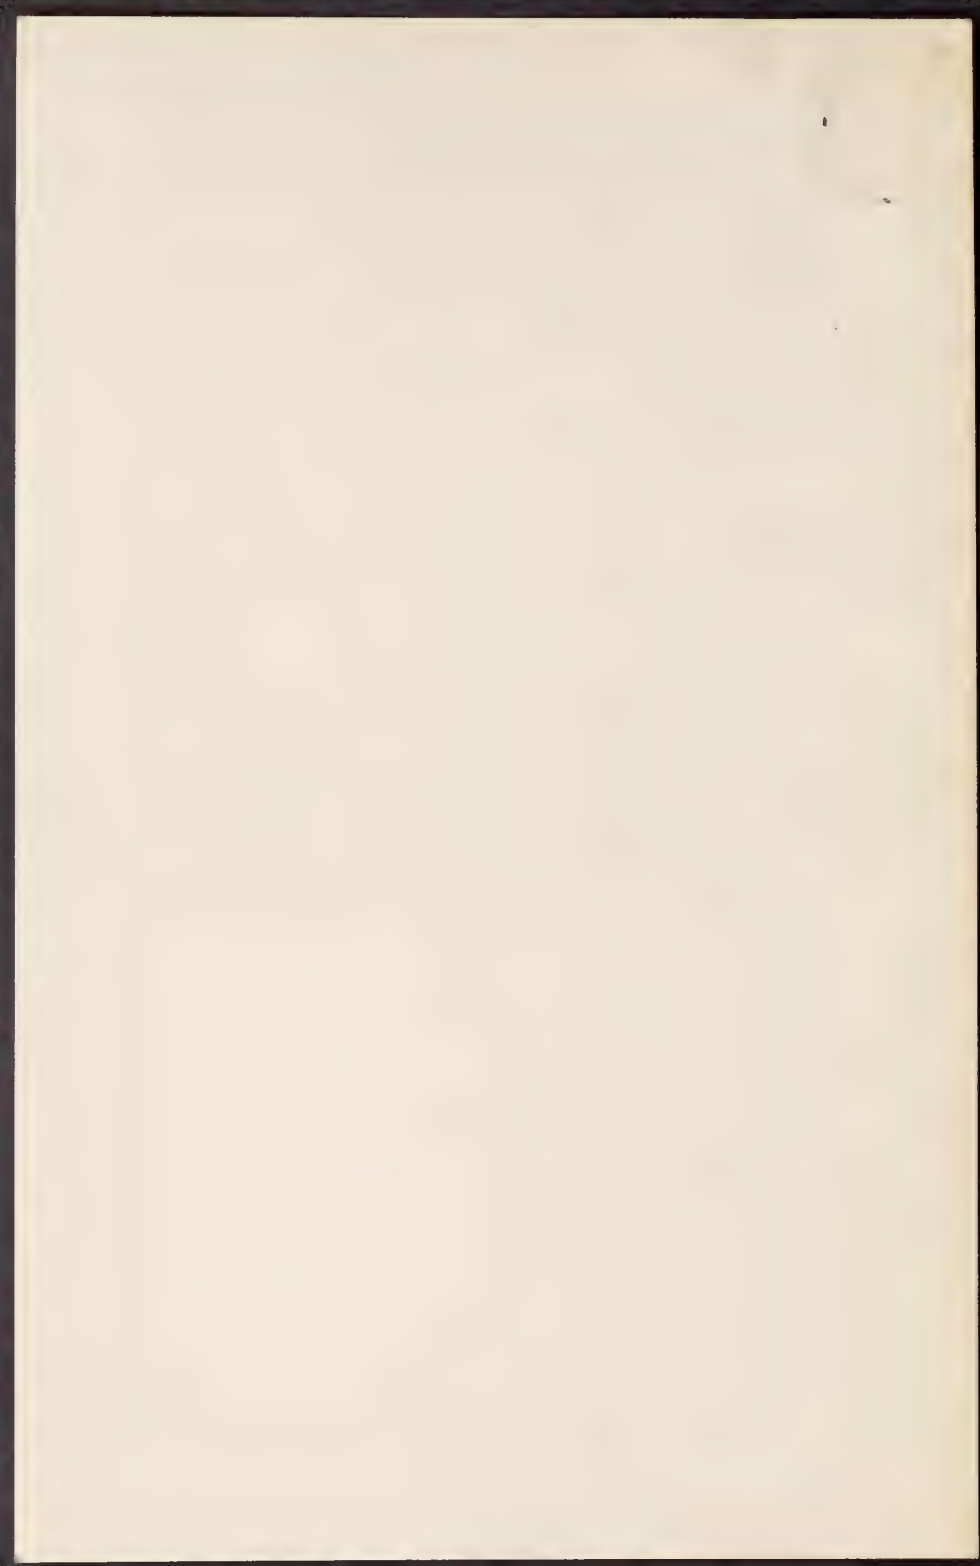

The heat is bad and lots of sand.  
but otherwise all well.

Well anyway they got the  
Italians on the run, and  
it may not be long before  
the Germans will be conquered.

I have only two grandsons  
staying with me this week. They  
work in the factory for the holiday  
& will soon be going back to  
Collegiate. Their mother &  
Father are at St Catharines  
to a convention for a few days.  
Well must close for this time.

Hope to hear from you soon  
and hope you will be able to read this.

Mr R A - Freeman

Dear Cousin

I received your letter this a.m. and  
glad to hear from you - But what  
a lot of Rogers - there are - "dead"  
& "alive" & "great & small" -

I fancy John & Sarah - family were  
the quietest - & slowest of them all -

Uncle Henry & Aunt Ellen's family  
were peppy & smart. I suppose I  
shouldn't say this but I know them  
all as young folks - but since  
they moved from here (Warwick) I don't  
see much of them. When Aunt Ellen  
came to her daughter Eliza Hodge  
I would go up there with the horse  
buggie & bring her to my place  
for a week. & then take her back.  
She & Mother were great friends & so was  
Aunt Rosina (Uncle Jacob Rogers) wife at  
Dyoming. I would love to get them in  
a buggie to see her & give them a fast ride.

I loved a horse & took great interest in them.  
Well. I am sending you a clipping of Mrs  
R A Smith's death. Margaret Anna was  
at a church meeting & went home at supper  
time & took a heart attack & died  
before she reached the hospital.  
I will send this clipping & you can  
return it with the others I sent you  
if you want to copy them. Emma  
Samuel & Amos address -  
perhaps you could write to some  
of them.

When we get all this line finished I'll  
be asking for your mother's side of  
the house. I met a man a Mr Rogers  
in Trenton (42) yrs ago. When I  
was down there that lived North of  
there & he would be one of your line  
but I forgot his first name. He asked  
me to go to see them. but I didn't go. I could  
not leave the Sagers. Do you know date of Almas &  
Geo. death? & the Brother Jacob.

Sometime later I will make a list of  
Gleasons & Sagers, perhaps  
you know some of them. They  
belong to the same family  
that is Joseph Rogers 2<sup>nd</sup> Marriage  
to Elizabeth Weese -

We will come to that later.  
My hand is pretty shaky since I  
had the flu this winter.

My son Geo is preparing to go  
to England soon.

I thought - Mary Ann <sup>over</sup> Bruce wife  
of Isaac Bruce was a daughter  
of the second wife a sister Uncle  
Henry & Jacob. but I may be wrong.  
That was what sister Rosanna said.  
Well we will get it all going right -  
sometime Yours  
I remain  
E L Moringstar

I havnt much on the Bensons but  
their names excepting Demp but I  
will give you the list later.

I am waiting to hear from Uncle Henry  
Rogers - Grand son - Geo Hodge -

Strathroy May 1943  
Mr J R Freeman

Dear Cousin.

Received your letter but have been rather slow this time in answering. I have been waiting for a reply from Geo Hodge with the information we needed of Uncle Henry & Ellen Rogers & family, but apparently Geo has not written & perhaps he would not know many of the dates but I thought when he lived on his father's old farm that the records might have been left there. but apparently his father moved to the daughter for the remaining years of his life & died at the daughter's Edith.

Mc Millan, and she has since died so that accounts for it. but I have one more hope & that is the son's (William) widow. who lives in Forest. so I may trace some of the family yet. I will send you what I have but not many dates. Geo Hodge has heart trouble & he may not be well enough to write.

It will try to be more prompt next time.

When I get dates at any time I  
will send them to you.

I will take up about the Sagers later.  
I havnt many dates but I visited the  
Joseph Sager family once and or twice  
and knew them long ago.

Well I started this letter long ago  
but was waiting for replies from some of  
the Hodges.. <sup>never my daughter</sup>  
Got a letter from Mrs. <sup>Ellen</sup> in Forest 2-day  
& she said Mrs Norton had written her  
some time ago. but Mrs H is 80 yrs  
old & her husband is sick now for two  
years, so it will be difficult to get  
any dates there of the Thomas Rogers -  
but Mrs Jessie Rogers may be able to give  
some information. Jessie is up in years  
also & keeps house & looks after an old couple.  
Perhaps we may yet get some information.  
Sorry to have been so long in sending.  
but "better late than never" <sup>Yours truly</sup>

Dear Mr. Freeman.

We have lost two more of our family recently. John Bentley of Cleveland passed away on Feb 3. after an operation. He failed to gain conscience and died a few minutes after the operation. His

wife who has been ill for sometime was unable to attend the funeral.

Uncle David Falloon passed very suddenly last Wednesday morning. He had been outside on Tuesday and feeling fairly well although he has been poorly for some time.

He was getting up for breakfast when he took a weak spell and was gone.

in less than a half hour. Aunt Rosana is fairly well and getting around every day. She was out to the funeral and stayed for a few days and seems none the worse for the trip.

Mrs Ida Dodge suffered a stroke at Christmas time and has been getting along well until yesterday when she suffered another and is in serious condition to-day.

We have those that leave us and we have those that come to stay for a time with us and every vacancy seems to be filled again.

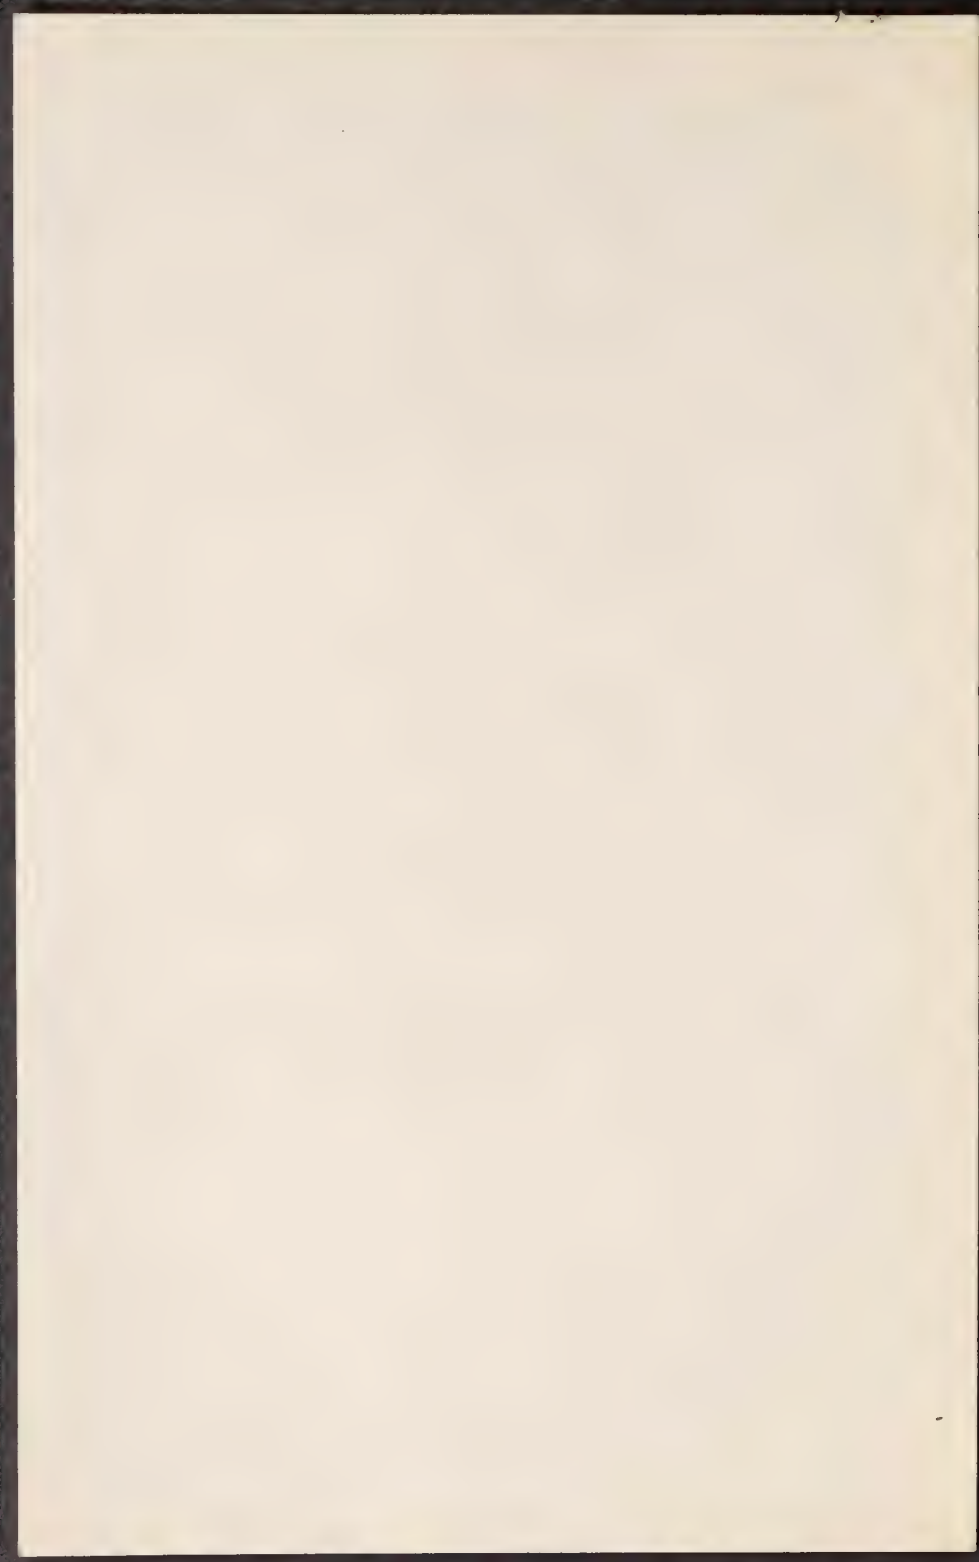

My sister Laura has a new baby daughter born Jan 3. 1941 and named Beatrice Norma for

some from Maggie Smith.

Mr W. R. Freeman.

Dear Friend.

I certainly neglected to answer your last letter. but coming up to Christmas time I am a very busy doorman. By the time I get my work done here & spend the rest of the day in the store helping Dubley I haven't much time for letter writing but from now on till spring I try to catch up with a lot of odd work that's sometimes neglected.

We are all well here and spent

the New Year -  
the weather has been very cold here and have had a great deal of snow. More than usual.

2.

We spent New Years in Windsor  
and found some rather icy roads  
as they don't have as much  
snow down there as we do here.  
It's 110 miles and different, three  
different temperatures.

I looked up the old records that  
my mother had, and there was  
no date of his death.

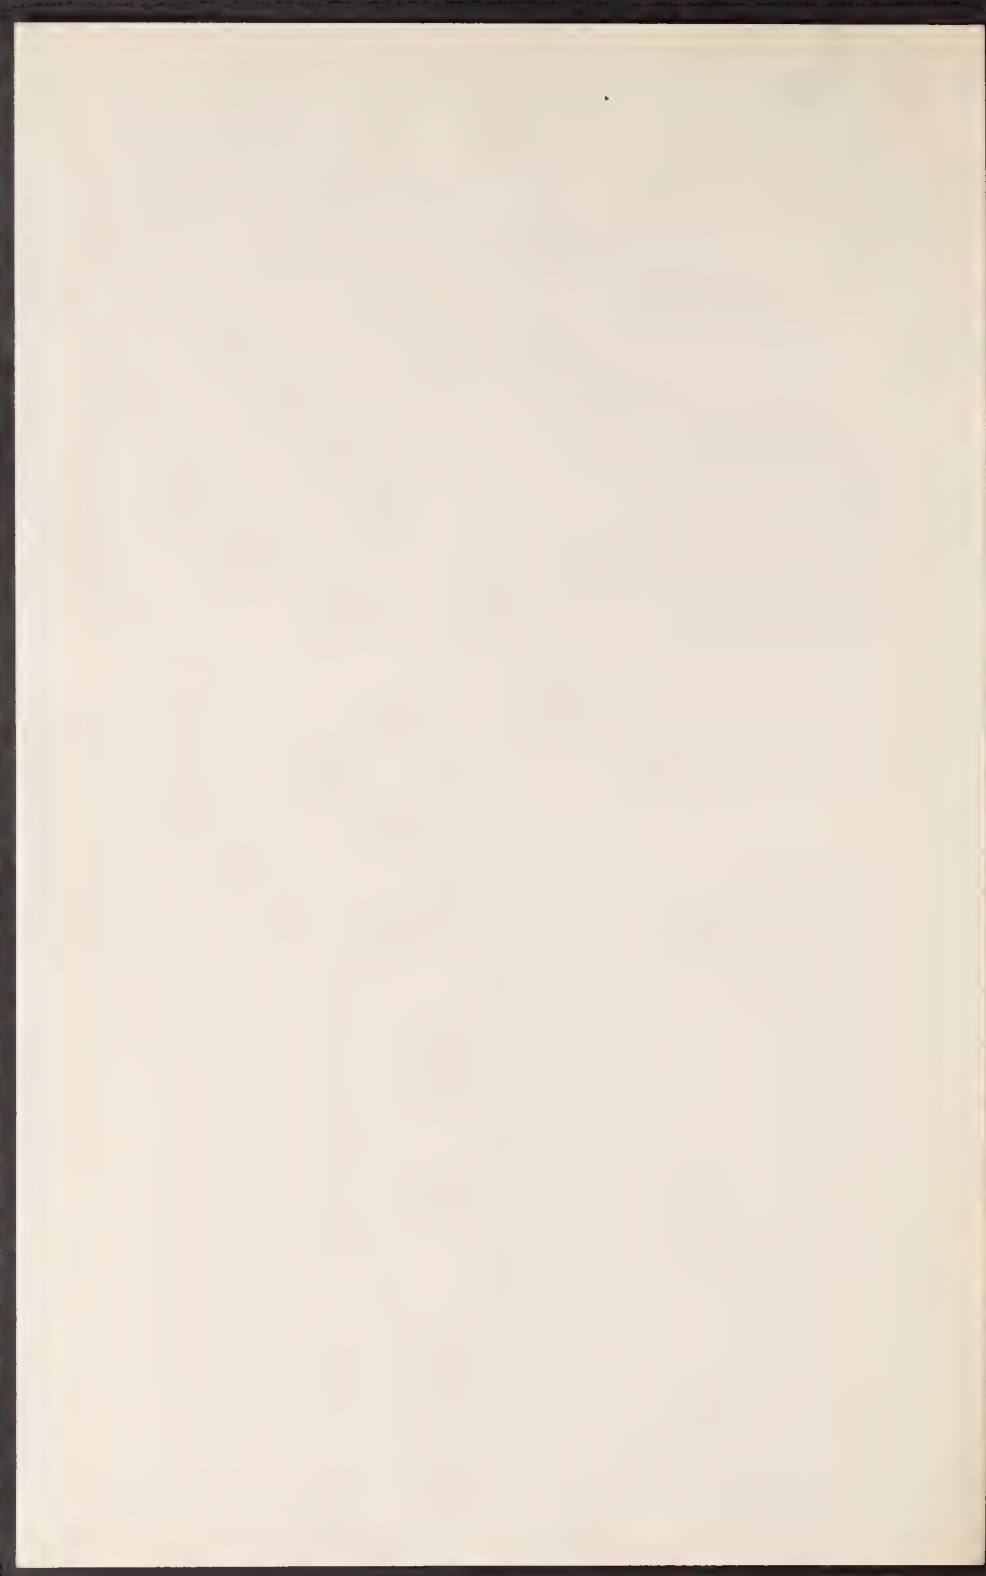

David Rogers Born Jan 11 - 1809

Died - 1865 -

Some day I am up at the Cemetery  
I will look on the monument.

This David is my grandfather.  
There are so many Davids.

I saw an item in the paper  
where a Joseph Stubbs ~~grand~~  
son, <sup>Samuel</sup> won a prize at an oratory  
Contest in Couronne, so I wrote  
her asking to see if he was a son  
of Joseph Stubbs ~~my grandfather~~ but did

Mr. R. Freeman -

Dear Mr. Freeman,

I have heard so much about you that I almost imagine I know what you look like and that we are acquainted. Libbie always had something new on the tree every time I went over to see Rosanna but apparently she never kept her records and since then it's been hard for me to fill mine out as I would like, but I sure have a big list - but not 2,000 yet. I will try to answer your questions as well as I know.

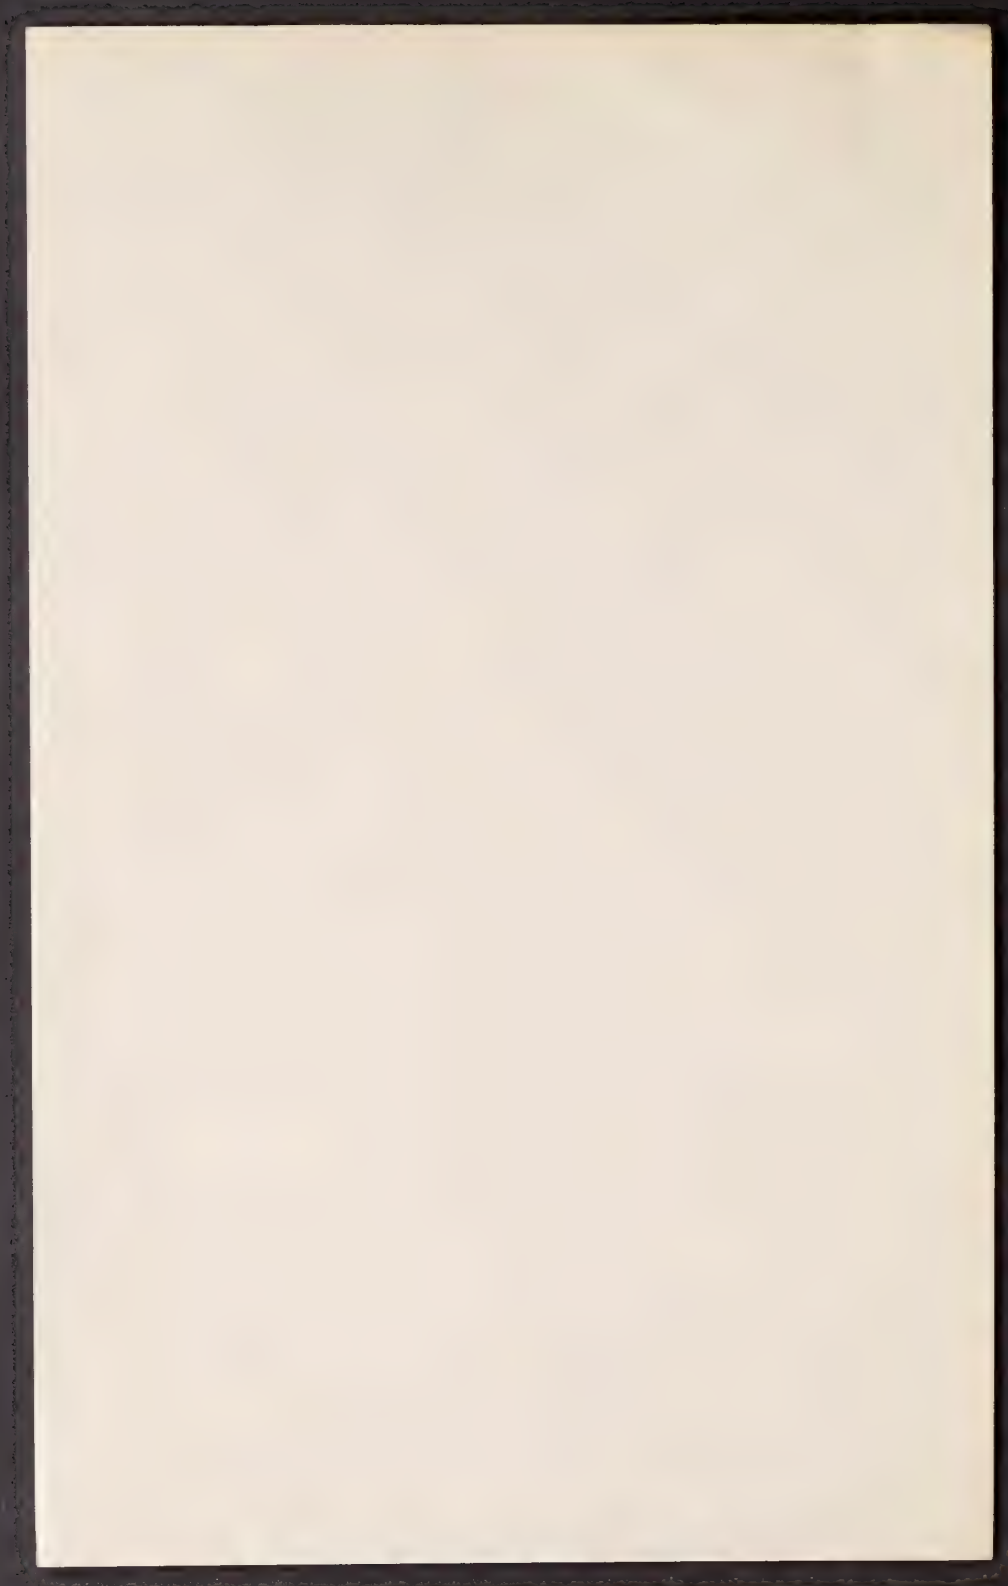

Since I have been living  
 here in Strathroy, I don't see  
 the relatives the same &  
 that makes me think of  
 them as I knew them  
 Twentyfive years ago -  
 I think you might get the  
 records of Mr Richard Weir from  
 Lulu Rogers. Herbs / Mother. Upper

Cleveland. I will put her  
 address on another page.

Lulu had some of Aunt Deborah's  
 belongings in a trunk or two after  
 Aunt died & I was once to Cleveland  
 to visit her. so I rather think  
 she could give you correct dates  
 better than I could.

Mr Weir practiced in Warwick  
 Village & from there he went to

Westminster Sp. near London &  
I think he died there.

They had one child (Annie) who  
died Feb 22. 1869. at age of 4.  
and she is buried in Anglican  
Church Cemetery at Warwick Village.  
Aunt Deborah died in the  
West at Regina when she went  
west one summer on a visit.

"Look a stroke."

I don't know where you could  
get a record of Joseph Stubbs.  
But you might get some from him  
also, My Brother David. not in the  
this 2 boys by his 2nd marriage  
in Sarnia at a <sup>long ago</sup> Orange Celebration.  
& he then lived towards Wallaceburg  
on a farm - But Rosanna or I  
never knew he was killed in Detroit  
as we haven't heard of him for years -

Dear Cousins

Just a few lines to say  
we arrived home safe & found  
everything O.K. My Sister & I  
made three weeks away  
she doesn't get-around here  
very much & when she  
gets among the nieces & nephews  
& our brother she makes a  
good visit - before cold  
weather. She got hurt in  
an auto accident & is lame.  
So we all have our charges  
Laura was anxious she is on  
farm & Irene helps in restaurant  
she don't live with-mam He is  
in Havelock. They have been  
separated for about 7 years  
& I believe won't much longer  
in time to make a living

(2)

We left you an address  
She was a Miss Rogers  
born in Adolphestown  
an aged person & my  
cousin in Napanee said  
she was daughter of Jas  
Rogers but we were  
talking of Col Jas Rogers  
& she said his daughter  
but that couldn't be. It  
<sup>might be</sup> grand or great-grand  
daughter & she is hunting  
up the back generations  
of Rogers & she has been  
in New York & Chicago  
& was in Napanee this Fall  
& Mrs Frank Perry met her  
when she was there & said  
she was going to write a  
book. So we got her address

(3)  
thought- perhaps she might  
of got- or could give <sup>you</sup> ~~him~~  
some information along  
the back generations  
perhaps you know of her.  
Mrs Morningstar & I were  
talking of the "Gideon"  
bunch & we come to the  
conclusion that- Joe Rog  
that- used to live in Camden  
East- was from that- bunch  
she says he was a first-  
cousin of grand father  
& we cant- fit- them in  
any where else. When  
we left- your place we went-  
to Campbellford & then to Wellington  
to Alma's all night & then ~~to~~  
across at- Picton to Adolph  
& Napane for dinner & then  
over

to Centreville to visit a cousin  
on the other side of house,  
+ back to Napauee &  
then to Bowmanville for  
night - We had a delightful  
trip we enjoyed as well  
as I did. Your mother is  
a wonderful woman at  
her age. Remember me  
to her. We would of liked  
to of visited longer but -  
we have our homes to

Dear Cousin

In reply to your last letter  
I am unable to tell you where  
the Joseph was buried unless  
at Ameliasburg where the  
Gleus & Sager's are buried  
You have Ethel Gleu in  
Brighton I believe a widow  
who was married to a man  
by the name of Ross. You  
might enquire of her or  
Mrs Reid if mother ever told  
us. We have forgot & those  
other Rogers. We don't know  
anything about them. Uncle  
Wm Rogers visited here when  
I was small & Matilda & Geo  
of Highgate. I was going to  
school & never met any of  
rest (over)

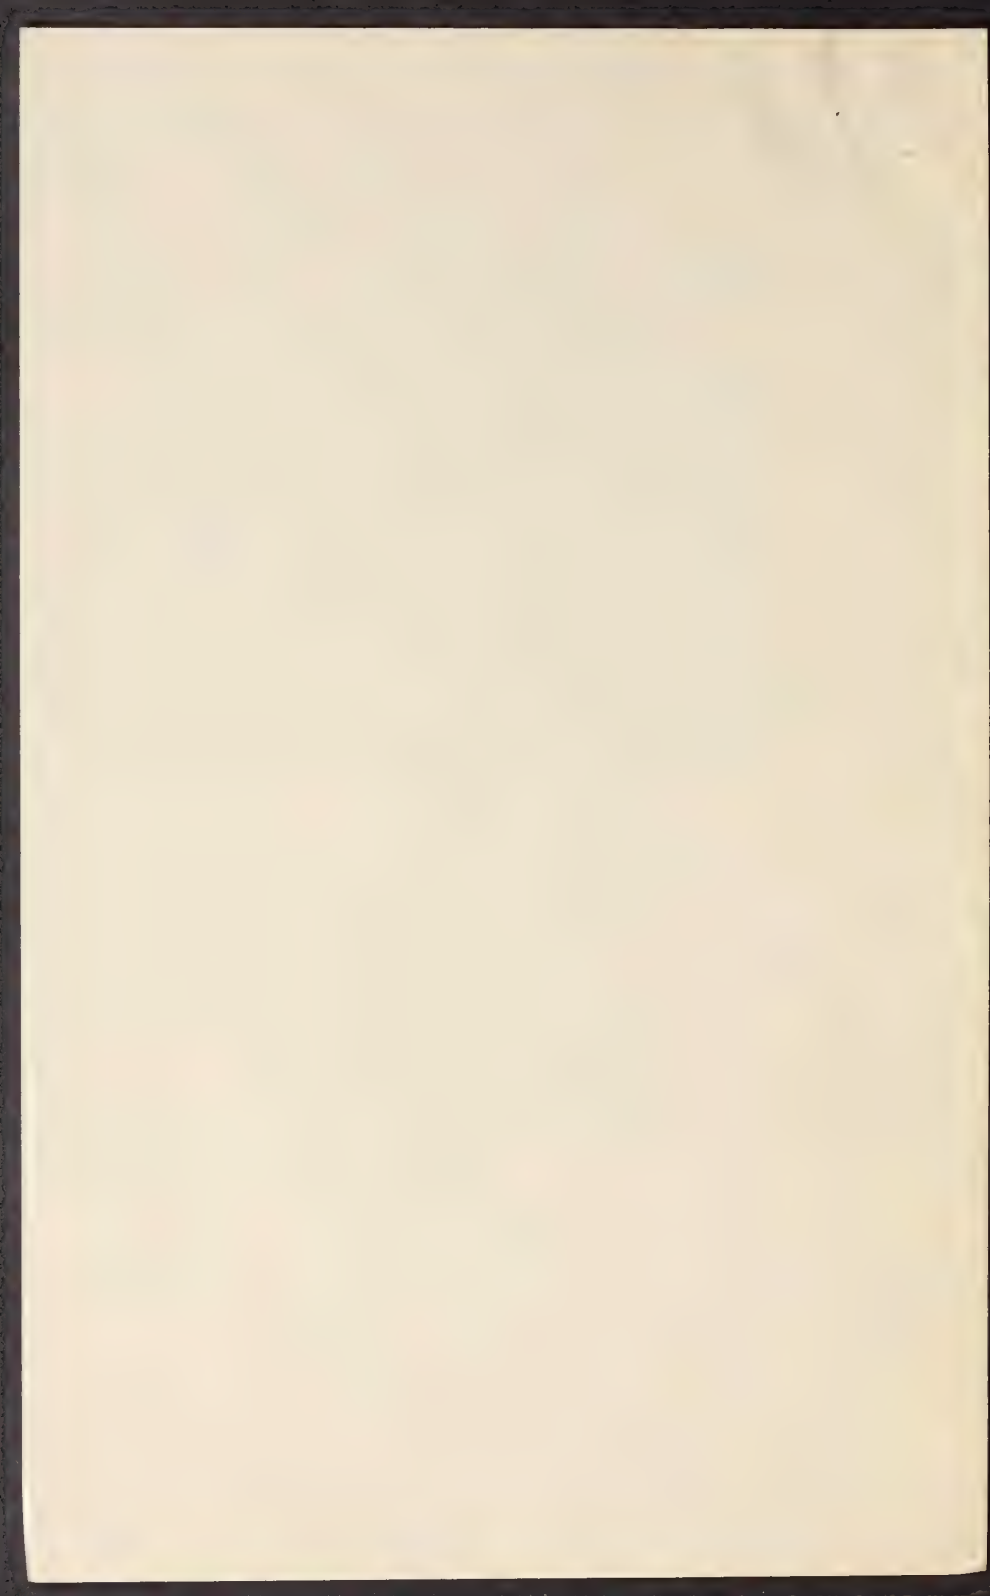

I often wondered who the Hon  
Robert Rogers was but never  
knew even where his home was  
& for the Elias Coal mine I could  
-nt say the only Rogers in  
Toronto is a Rev David B. Rogers  
a first-cousin of mine. An  
English Church clergyman,  
Now I am <sup>that I know</sup> going to send  
you Hon Norman Rogers  
picture so you can hunt  
him up I believe he is  
Scotch, I never knew any  
of Col Jas line. When any  
of the Great Uncles & Aunts  
come they would often talk  
of the other generations  
but we didn't know them  
& wasn't very much  
interested. I would of liked  
to of stayed over night with  
your mother but Laura was

I you spoke of sending a  
list. I will do my best to  
fill in if I can but the  
Eastern <sup>folks</sup> I don't know much  
about them only hearsay  
Our Grandfathers <sup>brothers</sup> were all here  
lived or visited in our mothers  
time & their families except Uncle  
Jims. That is Thomas father,

be back. But-Irene set-din  
out. I suppose the men need  
a calling down once in a

as well stayed till the next day  
We all have one Art- & That  
washing dishes & getting meals &  
& we could of helped out.  
We understood the state of our  
mother was in getting weak,  
The other folks we visited  
wanted us to stay longer  
But-we enjoyed ourselves  
if it was short.

There was an Entertainment  
here a group & they had the  
whole Damon family in it-  
over

& if you keep on you will  
have them all to. Ha ha If  
you dont like the reading of this  
burn it. I think I have  
found some of the lost tribe  
Ellsworth Rogers name on  
the <sup>soldiers</sup> monument. He started  
overseas & died on the way over  
His family lives here & they are  
nearly all married & his father  
Chas Rogers lives on the Lake  
road on farm & has cottages  
at Upperwash beach. I guess  
he is a queer genius The people  
all laugh when they speak of him  
I dont know him but I will get  
around & find out some things  
about them. I will trace up any  
relationship for we have our friends  
& they have theirs. There are other Rogers  
here but they came right from England  
I wish we could have you  
and your mother for Christmas  
for we expect to be alone

Dear Cousin

A letter is always welcome  
easier than writing one. My  
sister sends her sympathy  
for she has kept the fires going  
this winter but - I have had the  
ices & snow shovelling to do but -  
it was not hard this winter  
the ice was worse slippery,  
but it is pretty near Spring  
& then the grass & garden shrubs  
something to keep us busy.  
Well I think you will find  
that - was Rogers & E. L. wife  
was Reese. We had a family  
on London & Samia road a  
way back a few years ago &  
mother said that was how  
the were related but she  
was not very proud of them.  
I believe they were inclined  
to be rough & quarrelsome  
Some of the boys. Did you ever  
hear of Jas Rogers & wife Clara  
(over)

that lived in Wyoming & died  
around sixty years ago  
I believe he was a brother of  
Ben & Joe Rogers. I can  
remember our folks going  
to funeral. The family was  
near Petrolia one time but  
I don't know what became of  
them.

You will have quite a family  
record if you keep going back.  
It don't take long for five  
generations to run on down  
or four more generations.

If there is anything in the  
family line I can help with  
I would only be pleased  
to help hunt-up.

L. D. Fallow

Mr. T. Greenman

Dear 42<sup>nd</sup> Cousin

Just a few lines to send  
your mother greetings for  
her birthday. As not many  
of the Rogers generation  
will read her in the 2<sup>nd</sup>  
Great Uncle John<sup>84</sup> & mother  
Aunts lived to 81

As it is now the festive  
season we have been busy  
since we came home.  
We have several we haven't  
yet for Xmas. Our father  
H.C. & a lot of our friends  
there is about the same  
to come as well. On Nov 25  
our first-cousin in Regina  
passed and Mother's youngest  
sister's daughter aged 51.  
Mrs May Miller

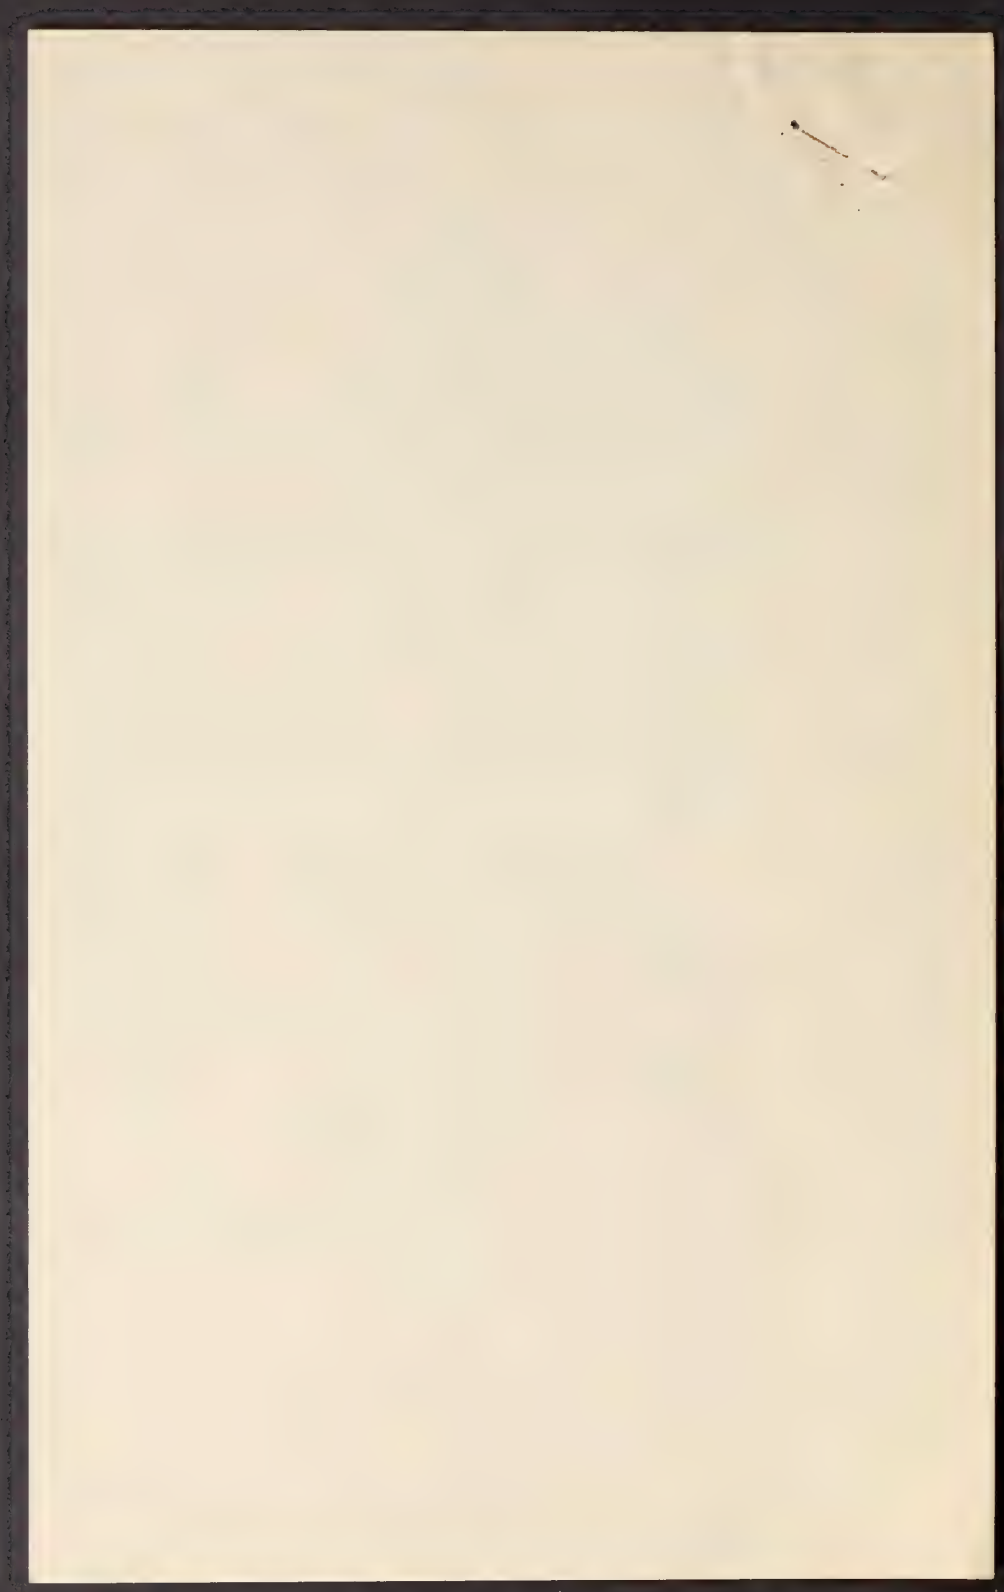

We wish you both a very  
happy Christmas & happy  
new year & may you both  
have health & happiness to  
live many more years.  
We had a very nice  
time in Stratford & we  
went to London one day  
to see nephews & friends &  
vice. So we got in 10 days  
& came home we left  
Warwick for another time.

From Eliza & John  
Sweet-

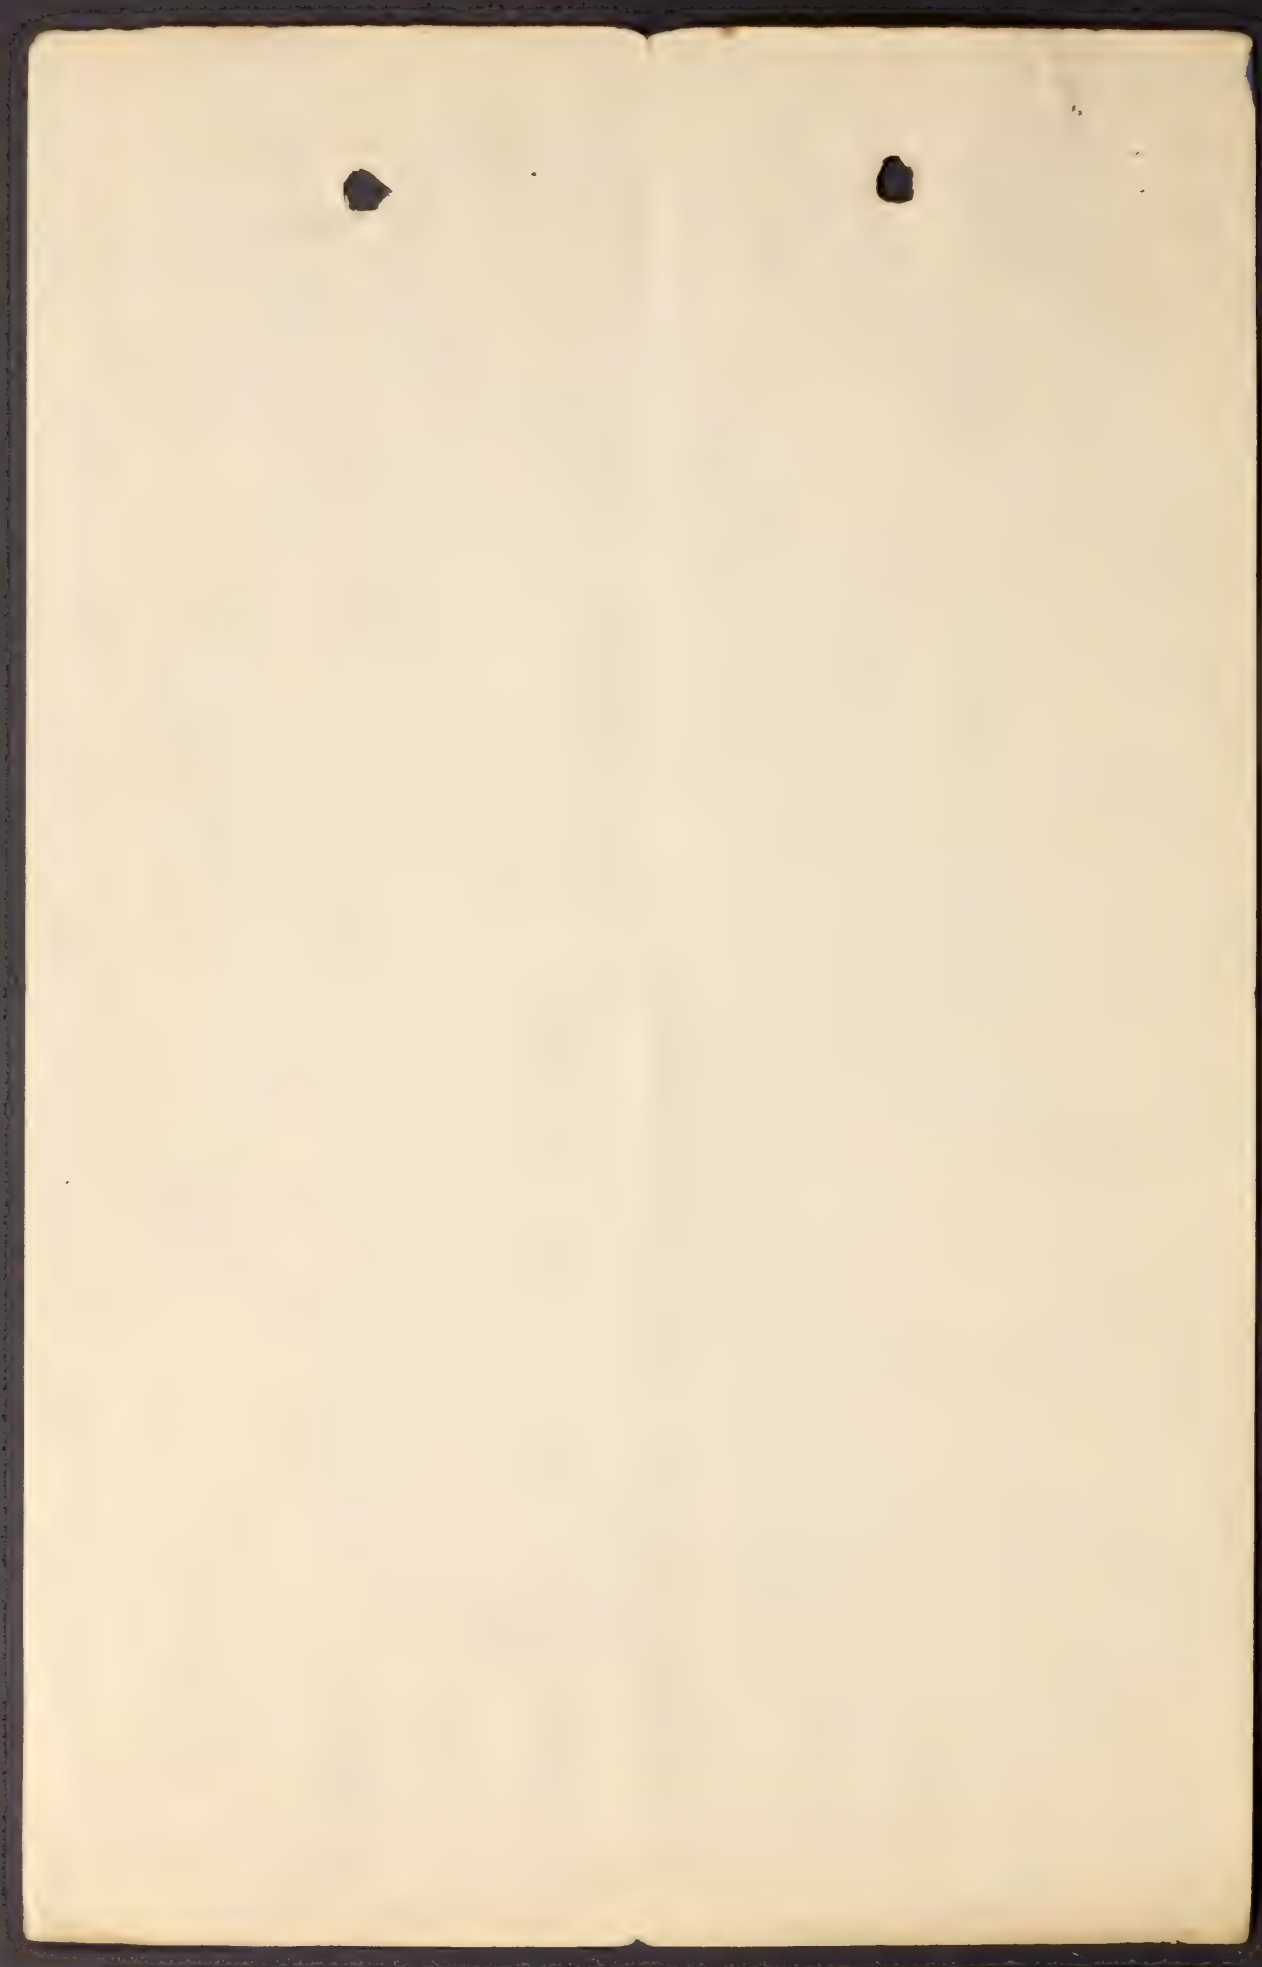

I hope you got the Joseph  
family in order from  
from Geo. Wiers.

Forest- March 1/34

Sir Yours to hand & now for  
the family tree. We haven't  
any records back of the Rogers  
families, only what we remember  
of what my mother & others have  
told us. My mother was the  
eldest of David Rogers family  
David's mother was a Weese &  
she died & he married a sister  
& that was Henry's mother  
which you have Nancy. I didn't  
remember the first-name. Well  
now their Grand mother was a  
Reece. I can't give you the first-  
name. Henry Rogers mother  
was sick at David's home at  
Camden East & she died there but  
where she was buried you will  
have to find out down there  
But I would think that David's  
father & mother would be buried  
in Pr Ed County, Now your  
record say there was Julia &  
Emma if there was they must  
over 21

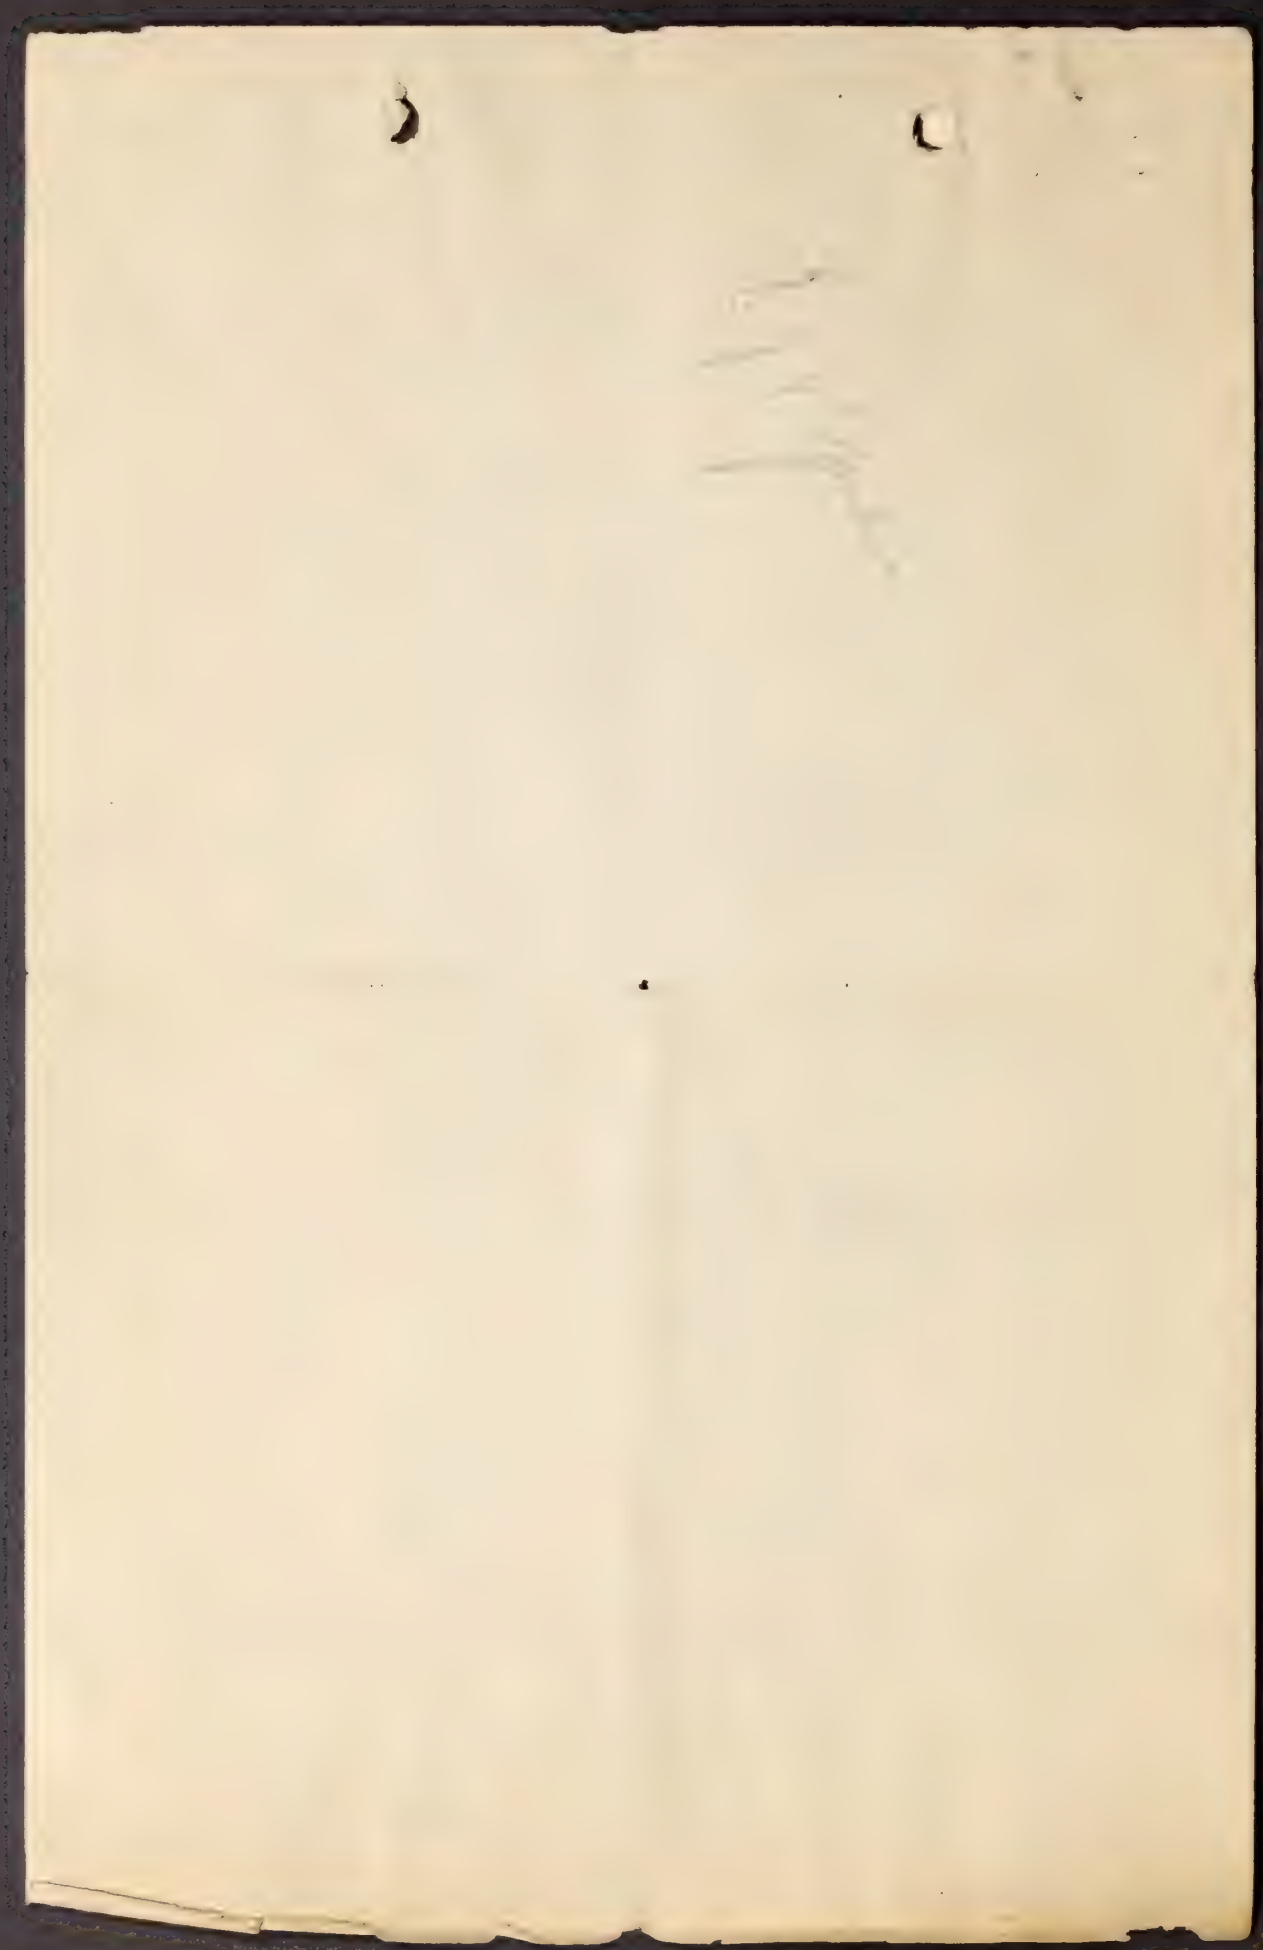

*Aunt-Rosina came from north of*  
of died in infancy for we never  
heard of them. They never was  
around here but my mother had 2  
sisters of those names. We haven't  
the ages & deaths but I'll try & get  
some of them for you later on.  
Now I can't remember who Jacob's  
wife's name but we always called  
her Aunt-Rosina. but I may  
be able to find out her name.  
Now I would like to know  
if your mother was near related  
to the Joseph Rogers families of  
Camden East or near Centreville I was  
at Ed Perry's mce. His wife was Millie  
Rogers. And this Thomas Roger is  
he was Rogers son, Brother of Henry.

When you get this all made out  
I would be pleased to have a  
record of it. Have you any  
record of Armstrong, Amy &  
Catherine families if any,

Yours in good faith-

Sir

2<sup>nd</sup> Cousin

You will think me slow writing  
but will give you what information  
I know. Now my mother was 3 or 4 years  
old when they went to Camden.  
That is my grandparents & they moved  
& landed in Warwick in 1854. &  
my mother was born in 1831.

My grandfather's stepmother died at  
his place inside of that time at  
Camden & so did Uncle Reuben.  
I have been expecting friends from  
near Napanee & Centerville & I thought  
I might get some information from them  
but they havent got here yet on my father's  
side of the house. Grandfather's grand  
father Rogers married a Reese  
that would be William Rogers  
wife. My mother told us that.

Now I dont any of the ages of the sisters  
or have any address I could write  
to. For most of the families are gone  
Uncle Henry's two sons are the only

Cousins of my mother that I know  
We will be looking for you for that  
visit & bring some of your friends  
with you or Thomas will be pleased  
(over)

to have a visit from you. There is only  
my sister & I living here a brother at  
Warwick & a sister at Stratford a Mrs  
Morningstar, & the rest of relatives are  
scattered far & near. I got Uncle John<sup>age</sup>  
of the Monument & Uncle Jake's out of  
their family Bible ~~from~~ the son-in-law  
He was kind enough to send it to me  
So I think I have the ages correct  
Uncle Henry was near the youngest  
I couldn't tell you exactly.

We are having very dry weather  
We had one very good rain  
& a couple light-showers enough  
to lay the dust. But we need  
more for pasture Hay isn't much  
good. But we have a good  
garden so far

Dear Friend

Yours to hand of 26<sup>th</sup> Aug  
begins to think we will have to  
modify that 4<sup>2nd</sup> cousin to 34<sup>th</sup>  
when our great grand mothers are  
sisters, as well as our <sup>great</sup> Grandfather  
are brothers. Well we have 2 or 3  
lots of Dreese's up here, one lot have  
been near Sarnia a long time &  
some of another bunch at Dresden  
Mother had been to see both &  
there was a young man in  
the bank here by the name of Dreese  
but I don't know whether he was  
any of the Clan or not. Well Sept-  
is not far off. We expect to be  
home my Sister Rosanna is not  
<sup>able</sup> to walk very far so she is mostly  
always at home. Only when taken  
in car auto, So come on to Forest  
If you come by auto through London  
to <sup>Strathroy</sup> my sister Mrs H. Morningstar  
is in a restaurant - there & the  
sign outside <sup>at</sup> Strathroy

The highway runs through from London  
Stratford Warwick village change  
there for Forest. If you come by train  
you will get in Forest about 6.30 PM.  
Thanks for the obituary of Aunt Anne  
Lager. I have the record of Grand  
father's family I will copy it & give  
it to you later & our own family  
Mother was the eldest of Grandfather  
family. Mrs Morningstar is  
interested in this back generations  
so make your self acquainted  
with her she will know,

Hoping to have a visit from  
you & some of your people  
before Sept is over

Dear Sir

I am sending the  
lists of names & ages as  
far as I can of grandfathers  
family & our own.

I wrote away thinking I  
might get Great-Aunts  
name but with-out-  
success. There was an  
old Bible handed <sup>down</sup> am-  
ong the Elizabeths & I wrote  
to get the names in it-  
but there was nt any  
away back but I always  
thought it belonged to  
the second Mrs. Rogers

So I think you can  
put her name Elizabeth  
if you havent anything  
more definite

2) for grand mother Rogers  
took care of her.  
Well we didn't see anyone  
from Brighton in September  
& Oct is nearly over.  
Will we expect to go out  
among the rest - our aunts  
& nephews & to Strathray to  
Emma's soon if we can  
get away & if you come  
up write & we will try  
& be home. It doesn't matter  
where we go only to get back  
before it gets cold.

Dear Sir.

I cannot tell you very much  
in regard to the Rogee family. I knew  
my Grandmother Sager was Annie Rogers  
& her sister Nancy married Mike Sager  
they used to live near Sterling. Their family  
are all dead only some Grand children living  
Lucinda Glenn was only a half sister to Grandmother  
Sager & I think that William, Henry, Jacob, Robert  
& Mary were only half brothers too, I have heard  
my people tell & I think there was a <sup>Wesley</sup> ~~Rogee~~  
married a ~~Wesley~~ <sup>Rogee</sup> & they live down in Camden  
or down there somewhere.  
John & David Rogers went to Warwick, Henry lives  
in Watford, Jacob - lived in Wyoming, I do not  
know all of the girls names I know one of them  
& that was Mary Ann. & she married Maurice  
Yalloon they are both dead, but if you would  
write to Libbie Yalloon, Forest Ont, she <sup>probably</sup>  
could give you more details about them  
as I have no records in my possession to refer to  
& I do not where they were born or where buried  
so hoping I have help some & my memory is not  
as good as it used to be so if I can be any service

any time probably I could think of some  
thing if I was talking to some one of the  
family. So hoping to hear again from  
you

Yours Truly

Dear Cousin

Your letter was welcome even if I was disappointed in opening it - thinking I was getting a deed of some great Estate but I wondered where it might come from as the Rogers all made a fair living for themselves & didn't - I have to go on relief of the poorhouse but didn't leave much of this worlds goods behind them, poor but honest well leaving all jokes aside I didn't know there was two Ben Rogers' but I think I told you before I thought - Ben Rogers & Dad Rogers as they called <sup>over</sup>

3) Joe Rogers, Millie's grandfather  
& Jim & Clara from near  
Petrópolis were all brothers  
But - who their father was I  
cant - tell you. I was at  
Ed & Millie Perry's 30 years  
ago when I was down there  
If you could get - hold of  
some of the old papers that  
Millie had you might find  
out - for she saved everything  
But some of them may of rid  
them out. Millie's daughter is  
Nora Moore she lives about  
half way between Newburgh  
& Centerville but I never met  
her, Millie's son Joe lives on  
the old farm & Millie's father  
I understood was Joe too but  
my cousin, <sup>at Centerville</sup> said it was nt  
but she couldn't tell what it  
was

There was one thing the Rogers  
was noted for "large families"  
& this obituary will prove  
it out. Well I haven't found  
out yet what Chas brother's  
name was the granddaughter  
didn't know. But she will  
find out for me. Her little  
girl was dead Pneumonia  
she was dead her hands full  
looking after her. I may find  
out before I post this.

June 8<sup>th</sup> Well I haven't found  
out yet. They are going out  
once in a while whether  
they don't want to bother  
the grand father or he was a  
sleep once. some notion of  
their own. The grand father  
won't live long & there will  
be an obituary in the paper  
& I will get that perhaps.

From E. A. Falloon Forest

3) That Gamworth-Rogers family  
I couldn't tell you anything about  
them. It is so long since  
Mother lived down east & we  
didn't know the people that  
we didn't enquire much about  
them. When some of the grand  
fathers brothers came here we  
would hear them talking about  
the old stock But it wasn't  
like knowing them personally.  
I am enclosing an obituary  
of Mrs Chas Rogers death.  
She took sick & just lived  
2 or 3 days. The Dr thought she  
would get better but she was  
worn out with the trouble she  
had. They were looking for Chas  
to go he had been worse.  
There was a large funeral I believe  
the old people were well thought  
of. They would stand a Capital  
letter & the Camden East Rogers  
a capital too.

3) We heard from all the  
nicks at Christmas and  
all were well then &  
all busy at their homes  
Been such deep snow  
I was at first to take  
an auto over from  
home for fear they  
couldn't get back but  
we will be looking for  
some of them soon  
they're highway didn't  
let quite finished yet  
all packed they will  
finish the bridge &  
then we can go clear through  
to the end of  
the road

Will close wishing you  
and your mother a  
happy & prosperous  
New Year

Yours Truly

Dear Friends

Was pleased to hear from you at Christmas  
& thanks for the beautiful card & was glad  
to hear your mother was so much better this  
winter, Hope she has missed this cold or  
influenza that was on its rounds for  
it was so hard to get rid of. We both  
had colds after Christmas & it stuck to  
us for quite a while but better now.

Spent Christmas at our nephew's home  
primarily out on the farm, roads was  
pretty bad but we got through with  
out any trouble. We have pretty cold  
winter. I had some trouble with an old  
locksmith winter. The snow came in  
November & had went off. It is out there  
& that came again & it is out there  
just went about a week ago but don't  
have the flood here we are higher  
than that. (over

are placed when we hear of people  
giving all their money to their names for  
the benefit of the <sup>British</sup> Cause. One  
was taken in the other Dr. & had some of the  
first - Cause & went to war &  
the medical Dr. died in England & the  
last child a couple of years ago from  
the effects of war. & we had another  
Cause. The Miller was buried the 1<sup>st</sup> of Nov  
from across of Brock Road & we since he  
was at war that all go some or later  
one by one. E. Jane Rogers was buried  
the last of Nov from stroke she was back  
Robby Rogers daughter the parish school  
in that school - T. C. G. & took her  
went to Warrumack in Mount  
the school. The work was pretty heavy &  
the superintendent was & she came back  
to Warrumack she had a home there &  
was only back a month of years. She was  
unmarried about 5-6. She has one brother  
he don't try to bring on war we have  
heard enough of that.

Dear Cousin.

I'm afraid I'm not much help to you in your work on the family tree. I had thought I might keep in touch with a lot of people, what Aunt Libbie used to write to. But Aunt Rosanna to over the job for a time but has fell down on it badly and I of course have lost addresses and interest as they were mostly those that I knew very little of. Aunt Rosanna is failing and seems to lose her memory at times and is generally quite a care that way. Although she is able to be around all the time.

She recieved the pictures alright and forwarded them to their owners and I'm afraid she wasn't very gracious about it toward yourself. It was a most unnecessary

act as the owners were unconcerned as to whether they had never come back at all. I have been housecleaning and at the same time thinking about you. I have several pictures of some of the family but only a very few not really good ones of Aunt [unclear] and they are pasted in an Album. so perhaps I may find the negatives somewhere and have them taken off for you.

At the time of John Bentley's death we received a folder with a good picture of him and several pages on his business life but I haven't been able to find it so far. However if you would write to Mrs Geo. Clapper (that is Lula Rogers sister of Allen) in Cleveland she could possibly give you more information on that family than anyone. John was a brother of

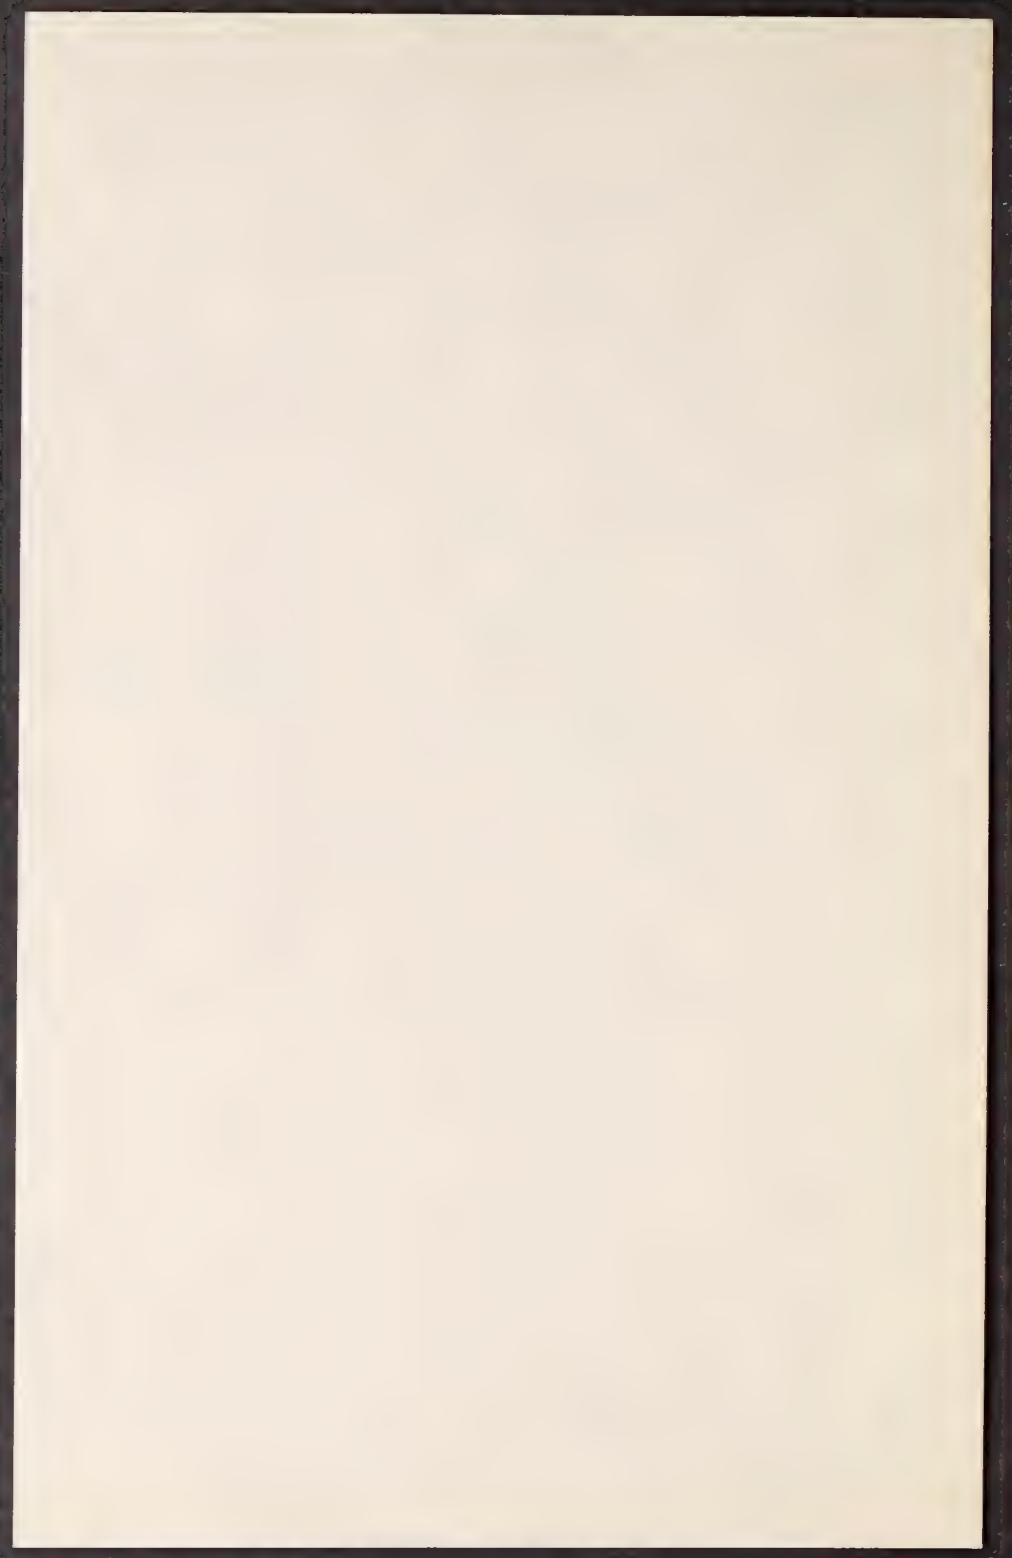

David and Will Bently. His wife  
was Bertha but I don't know her  
maiden name. They have one  
daughter Dorothy and she is married  
but I don't know her married name  
so you see I'm not much help.

Mrs Ida Dodge was the wife of  
Will Dodge son of Wm Dodge & C.  
Rogers and the only person I know  
who might possibly help you  
there is Mrs Albert Archer at  
Warwick Village.

Uncle David Rodger Falloon  
was Aunt Rosanna's oldest brother  
who lived on the homestead. His  
wife lost her sister last week so she  
will be alone now.

I think possibly Mrs Geo  
Clapper would be able to tell  
you more about those families  
than anyone I know and I'll  
try to find her address for you.

Trusting that I have been of some  
help. I remain

yours truly  
Mrs J. Dewey.

P.S

Perhaps if you wrote to Mother.  
Mrs H Morningstar Strathroy she  
might be able to help some. I see  
her occasionally but never get  
around to a real old family visit.  
There is always so many new  
things to hear and tell. Wishing  
you success. J. Dewey.

Dear Mr. Druman.

Just a line to say Aunt Libbie passed away on Tuesday evening. She took sick about the middle of September with a heart attack. Mother (Mrs H. Manington) and I have been with her constantly.

Aunt Rosana is not going too well. She had a stroke in July and was in bed for some time but is able to be around now and is holding up wonderfully well.

Hoping this finds you

and Mrs Dalmadge in good health. I expect to be staying with Aunt Rosana in Forest as she is not able to be alone.

There has been several letters come here regarding the family which I will go through and send any information that might be of interest to you at a later time.

Hoping to hear from you  
I am.

yours truly  
M. E. C. C. C.

Dear Friend

Received your welcome letter  
& big question Envelope as well  
& will return later, I have  
filled in what I know & have  
written several letters & find  
out more & have an answer  
from Mrs Lulu Rogers Clapper  
but she was so young when her  
mother died that she didn't have  
the date of birth but she sent what  
she had & as for Sagers you will  
have to hunt in Fred for that  
& Briscoe's It is so long since  
over

Aunt Mary was here I could not give out  
dates she had a daughter Mrs Adams went  
to California & died there. But Aunt lived  
at Big Rapids when she was here over 50 years ago  
I cut a picture out of paper I don't know who  
he is & if I haven't mislaid it I will send it.  
He was from Windsor.

Reece's corner that's a joke. It on a corner of 2 high  
way a few miles from Sarnia & No 7 goes to Wingham  
& Petrolia. In stage days it was a noted place.  
But now 2 gas stations, in Reece's there. Some of the  
name in Enniskillen townships near Petrolia  
They may be grandsons.

Now for Fred's. I have written to Washington  
& if I don't get an answer I will try for the  
grand daughter's address. Their only daughter  
died when she was so bad a few years  
ago & the oldest son died since & their  
was only one left & if he answers I will send  
it & I wrote to Ellen's daughter in Bay City  
& likely she will have to Aunt & a grand-  
daughter of Uncle John in London & she was  
sued to her brother Rev Sam in California  
& Amos in West for what they knew. I  
suppose she has't any record in her  
father's people, I thought there was not  
any use of sending you address.

I can't find you could at.  
There was 9 of family

all able to be around here & hoping  
to hear from some of them soon that  
I have written to. We have had a  
cold backward Spring but farmers  
seeded now & the ground working  
up good & fine.

Yours sincerely & hope to  
send answers to you soon.

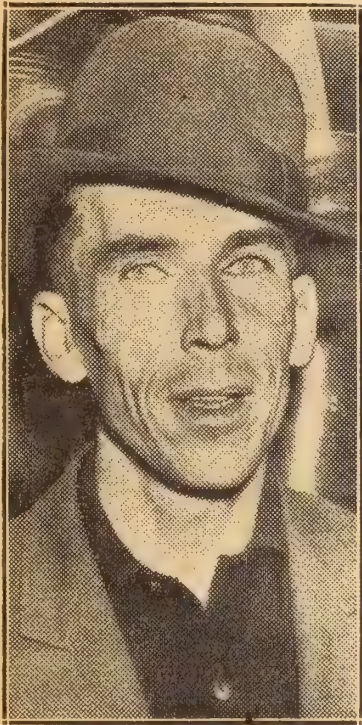

Eliza A. Galloen.

Forest-

I suppose you will soon be  
tired of it - it is getting pretty  
well dried up here but ice  
in Lake Huron yet -

## FOG AND SNOW HIDES FATE OF MISSING PELEE PLANE

### *Aids in Search*

Beverly Briscoe, Windsor flying instructor and former air engineer of the London Flying Club, who was one of two pilots who were forced through poor visibility to abandon search last night for the Pelee Island mail plane piloted by Tom Higgins, which is overdue at Leamington with one or possibly two passengers, and believed forced down on the ice in Lake Erie.

channel, Higgins would ordinarily have been able to reach safety.

#### LIGHT FIRES ON SHORE

Bonfires were lit at the lake's edge at sundown to act as guides should the stranded four attempt to make the mainland during the night.

Rescue parties reported on their return late this afternoon that they had ventured as far out as seven miles through open water and on treacherous ice on the lake, but had seen no sign of the plane.

Icy winds continued to sweep the lake tonight and although the plane is a cabin model, it was feared the four passengers will suffer from exposure if forced to spend the night on the ice.

Factory whistles in this Essex town were blowing and guns were being fired in the hope that the plane's occupants might be guided to the open channel, near the shore, where boats were waiting for them. Efforts at search by boats, riding the water above the ice, were going ahead slowly.

Three Boy Scouts and a man said that they heard the plane about 11 a. m. today and then suddenly heard its noise no more. When the craft did not arrive here at 11.30 an appeal was made to the Windsor airport for search planes.

Dear Friends

I received your welcome  
letter & valentine with thanks  
This old tree I looked over the  
pictures & will send Grandpa  
Grandma pictures of the  
house. But I cannot find the  
Great-Grand parents & don't  
know of any that live. I don't  
suppose there is any or was then  
in those days. How for the  
Q. & A. They are not related  
to Mother or Father. We have an  
old picture of Mrs. Williams but  
she was just a neighbor at  
Camden

Now the Ellsworths, I think was a woman  
used to live up here & I asked her about  
the Ellsworths more and she said  
no, so that's that. - You had better  
stick to Reece & stop there. <sup>the</sup> Reece  
Jacob Rogers said the man that lived  
at (Harris' Corner) was a cousin <sup>& mother</sup>  
of Reece was the name. So I can get  
my way <sup>you</sup> ahead & find out.  
It won't make any difference in a  
hundred years from now, who or what  
any of us are. But there is quite a  
number of the friends are waiting  
and anxious to have the back history  
my cousin came last summer & said  
her children wanted to know who the  
grand parents were & so on so I gave  
her what I knew. They wanted it in  
school at Cleveland & they were delighted  
to get what I gave them.

Now for Mr. Miller I will find out where  
he has gone. I was asked what Miller  
has started store in Regina but did  
not know they are changing around.  
He has lived different places I suppose  
is sent. I don't know the company but  
can find out some day.

Now it is fine out today but -  
Last morning we had about -  
a foot of snow but soft & snowed  
all day. The first the snow blough  
was on the sidewalk. I suppose  
the business men ordered them  
out for the last time.  
Well if <sup>you</sup> want to make this  
scribbling out - bring it -  
along when you come to  
make that visit. We are  
usually home all summer  
but leave word at neighbor  
if we go away for a day or  
so. Yours Truly  
John Hallam

Dear Cousin

Your hand which  
found us going on & got  
through all that hot weather  
we had a nice little  
shower yesterday & a nice  
rain about 2 weeks ago  
so the grass is nice an  
green now. But for awhile  
people were anxiously  
waiting for rain to revive  
the situation. But of course  
we will have a lot of little  
potatoes, early ones died down  
but late may be better,  
You spoke of your Trumpet-  
vine They are very nice only  
one objection & that is they  
come up far rods around  
& makes a nuisance

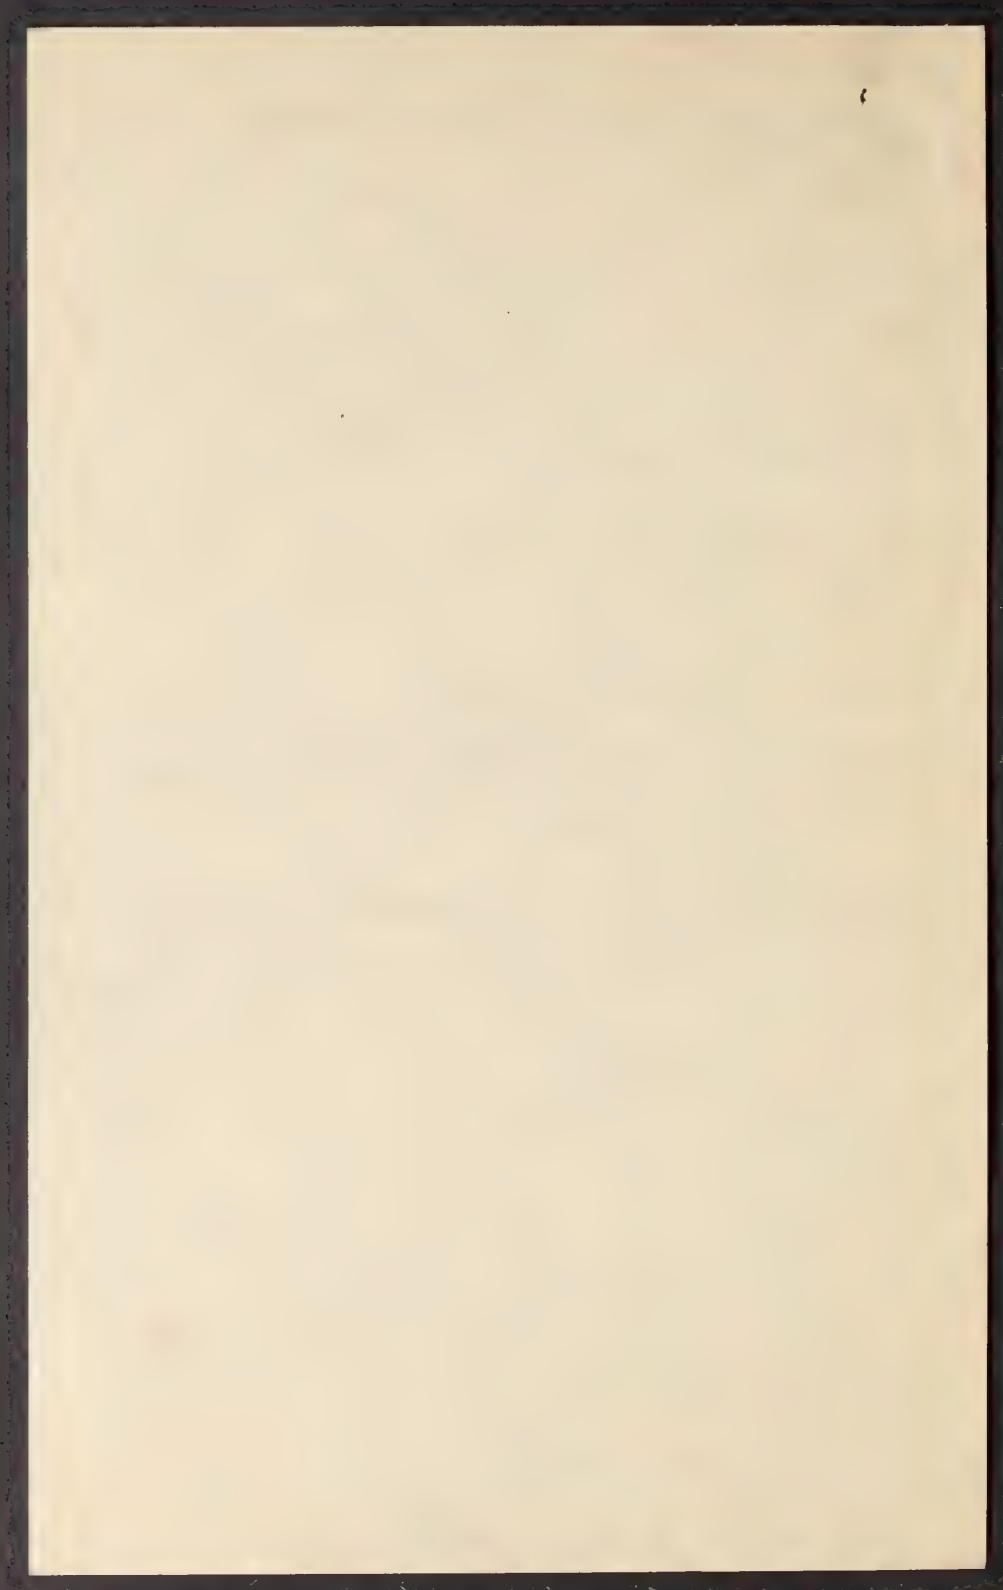

2) I have two vines & ~~every~~ one  
sees them admires them.

I watered quite a lot every  
day but couldnt water every  
flower & vegetable but we  
have had a good vegetable  
garden something all summer  
& quite a lot of flowers.

Now that list you sent  
me is my mother's sisters  
& brothers & I sent you them  
but if you have mislaid  
them I will send them again  
(Ellen Rogers Burr) I believe I  
sent you Great Uncle John's  
family. Did not have all the  
ages but sent oldest & youngest  
& the rest crowded crowded  
in between Ellen died a few  
years ago about 68 yrs of age. I  
couldnt give you the year. I ex-

pected some of the cousins over  
This summer but haven't come  
as yet. I may get some more of  
there ages yet.

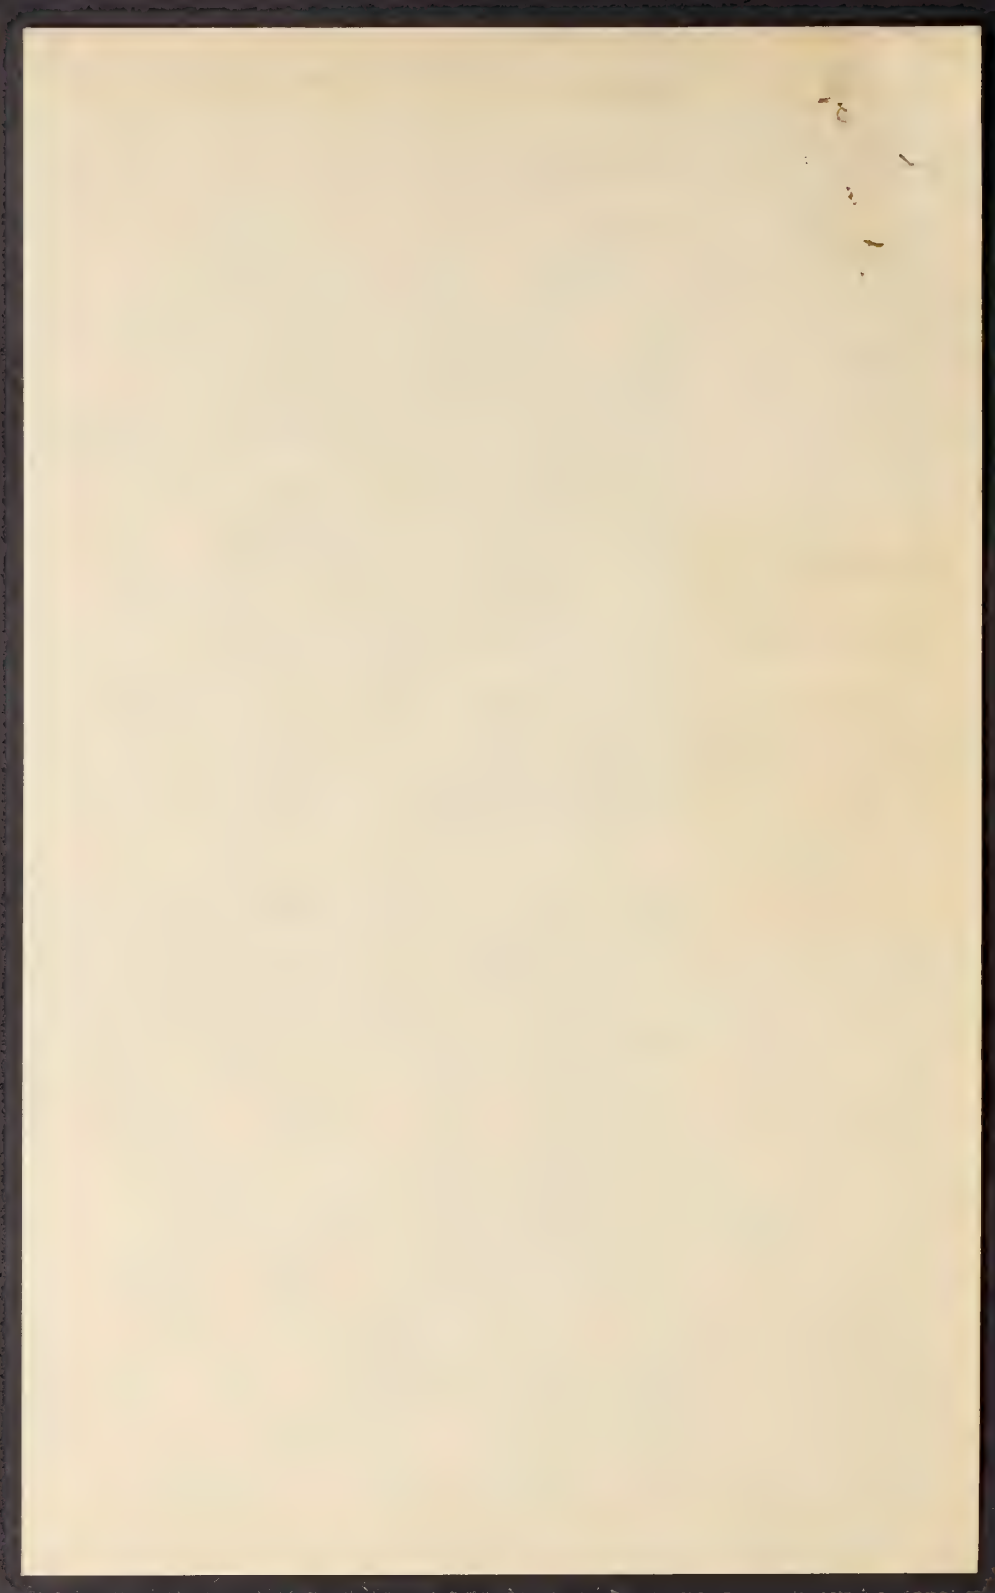

The girls are both well Laura  
had a baby girl Jean Elizabeth  
in June, a fine baby, +  
Irene is looking after the ice  
cream, etc + her brother Geo  
has a grocery in the restaurant  
that they had before + Dad  
+ their mother still live up  
stairs. If you can't find  
that list - will send it.

Take good care of your  
mother + remember us to her

Yours as ever

Dear Cousins

Forest April 5:36

We have that-cold winter over with, I thought-I would write & see how you all were. This winter has taken its toll of elderly people here as well as some in the 60's & 50's & younger. But we have both kept well so far. But our brother-in-law passed out at the age of 75. He was married the 2nd time I was out to funeral. Irene & mother, sister & husband was at funeral the 1st of March & they were fine.

This weather gives us a little rest on keeping fires & carrying out ashes etc.

Our cousin ~~of~~ father's niece  
(over)

that we visited in Centerville  
last fall age 87, was very  
sick with Bronchial Pneumonia  
& they sent for her daughter in  
Detroit - & she went home  
did not expect her to live  
but she was getting better  
where the daughter wrote  
she was a strong woman  
Mrs Frank Perry of Napaul  
was only a 2nd cousin on  
father's side of house. Haven't  
heard from Alma Reid since  
Christmas. How are the  
ancestors coming on  
I suppose you are too busy  
to bother about them  
Well I was talking to

Chas Rogers' grand daughter  
& she said his people lived  
at Lananogue & 1000 Island  
but she didn't know any  
thing about who her father  
was named after, ~~he~~ was  
Ellsworth Rogers. Well I  
didn't make her much  
wiser. So far out to make  
up relationship some  
of them are nice people  
hard working people & in  
good circumstances But  
the grandfather fell last  
fall & struck his head  
& there is a clot & he won't  
get better He was very sick  
in the winter The family  
came home to see him that  
was living away from here  
(over)

If I keep on I will have  
a lot of them traced up

Will Close with- Easter  
greetings for your mother  
& yourself & hope this finds  
you both well,
